In a secret lab, out in the desert...

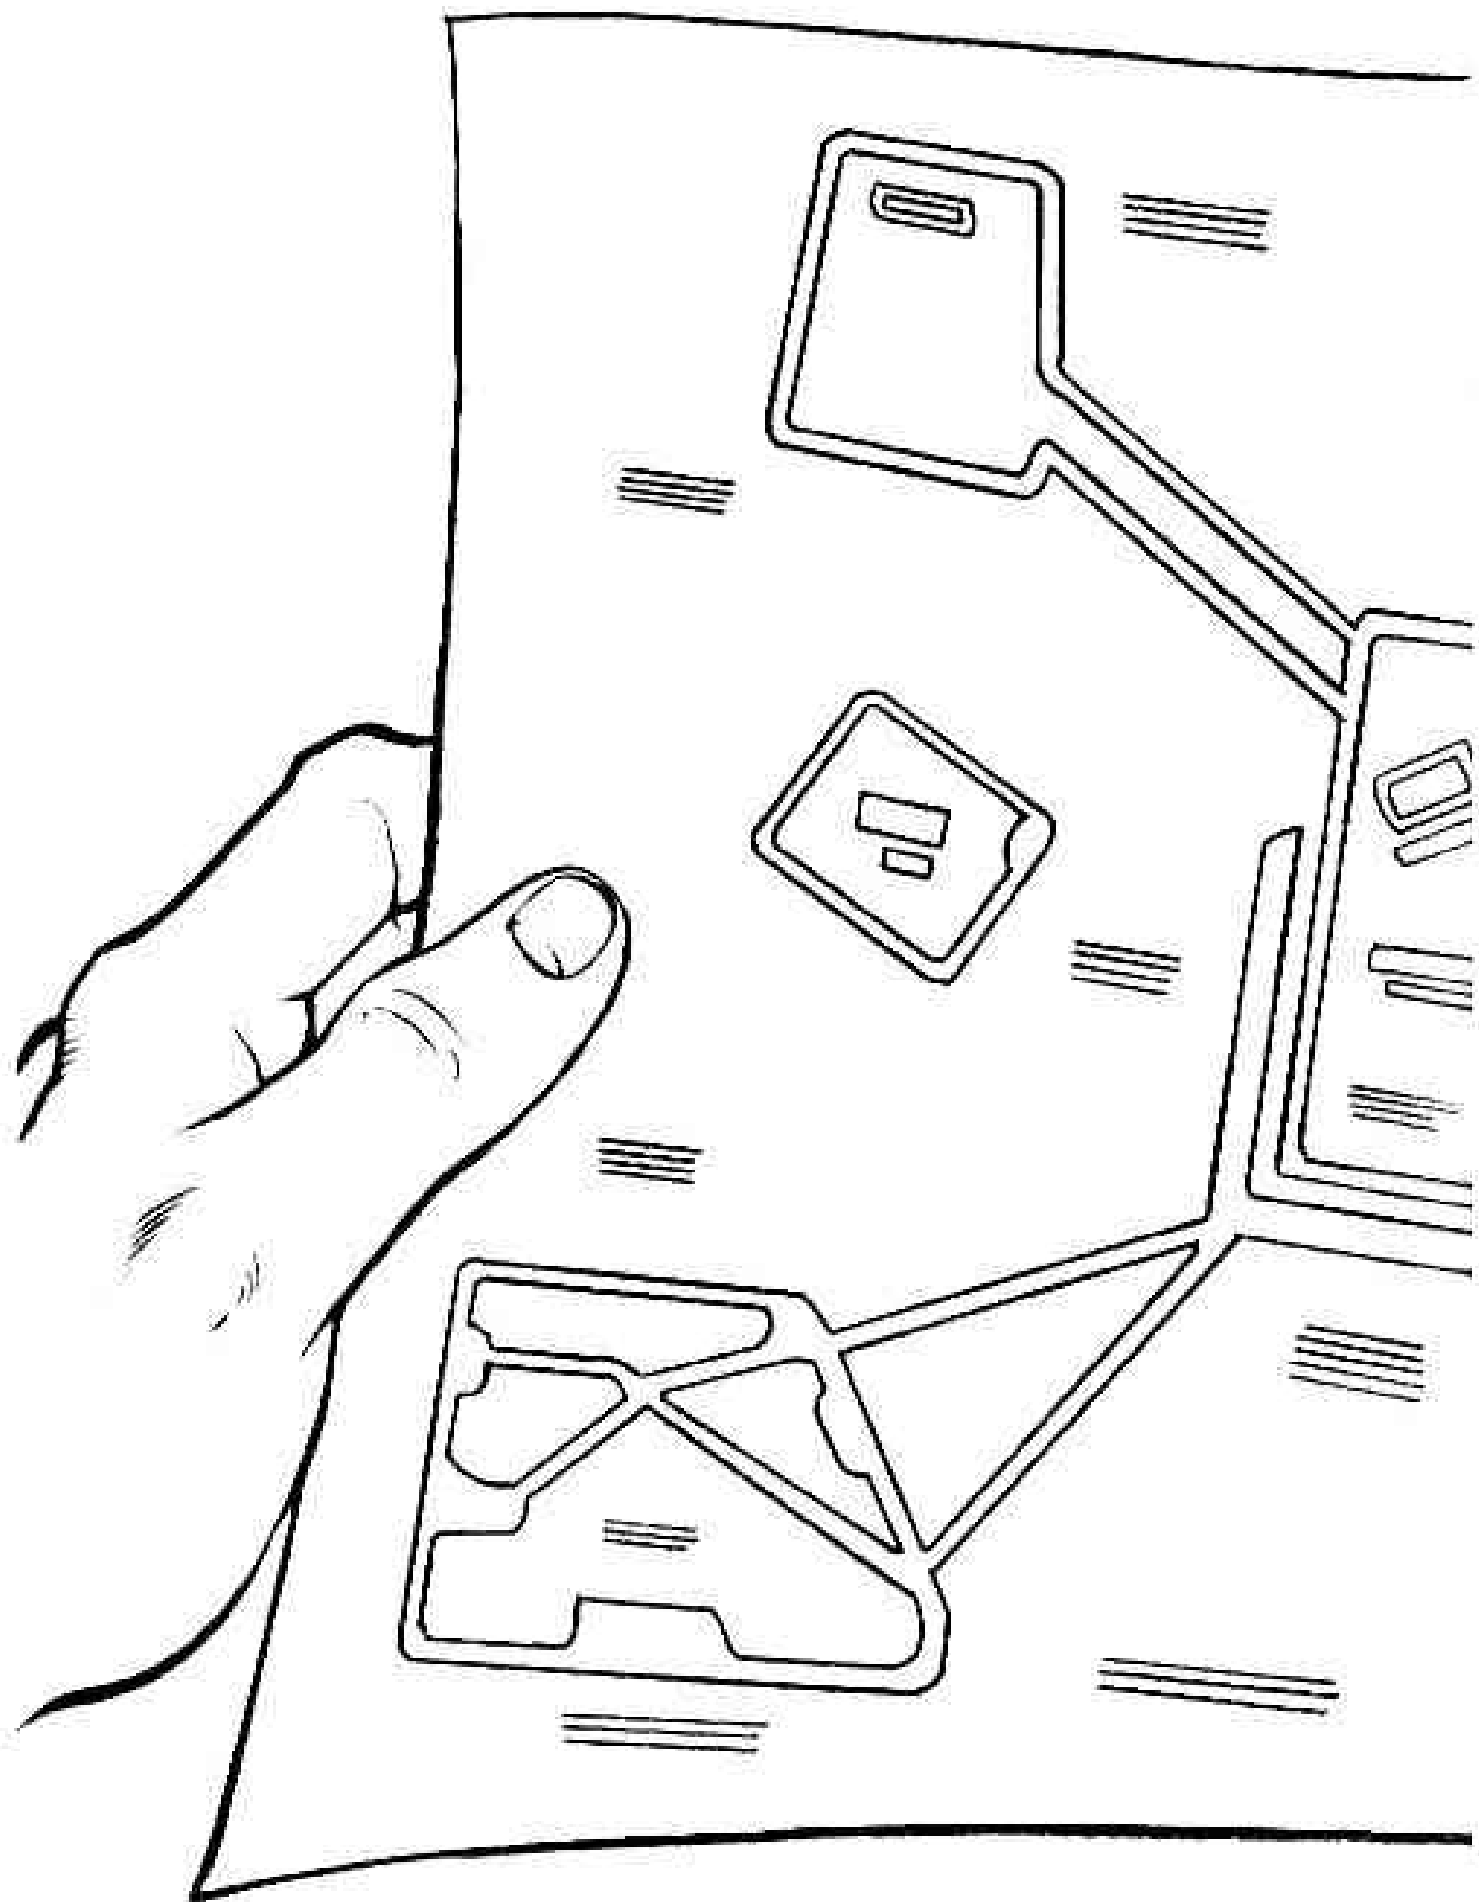

a top-level G.I. Joe scientist is working on a very important project.

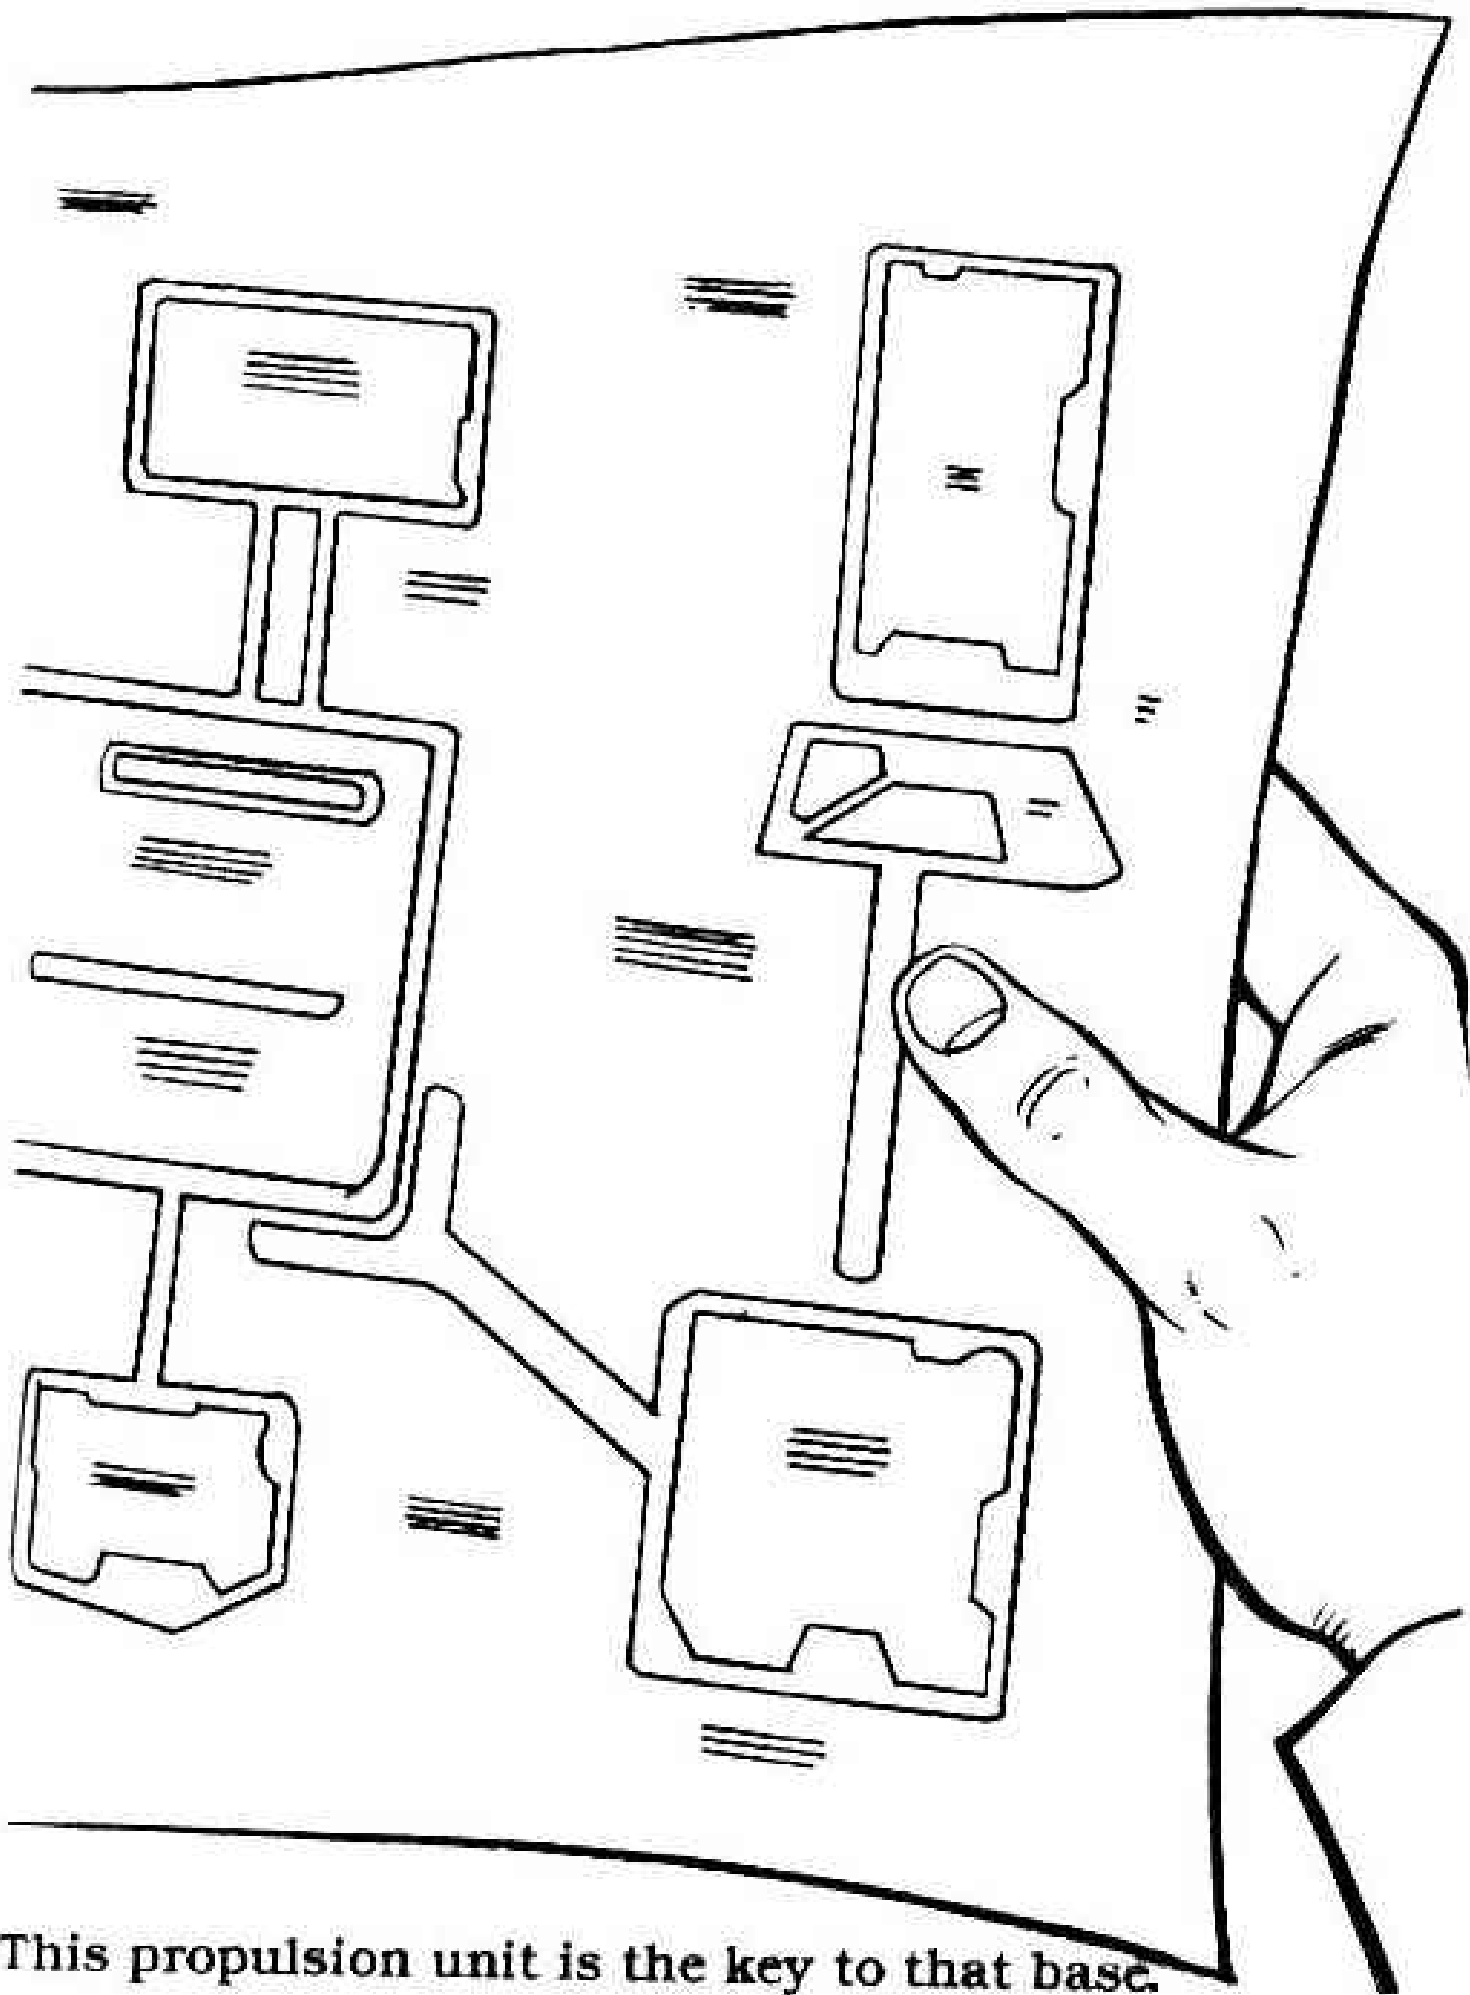

Professor Grube is developing a new super-propulsion unit for the Joes' Crusader Space Shuttle.

This super-propulsion unit will allow the shuttle to reach the moon in one quarter of the time it takes now.

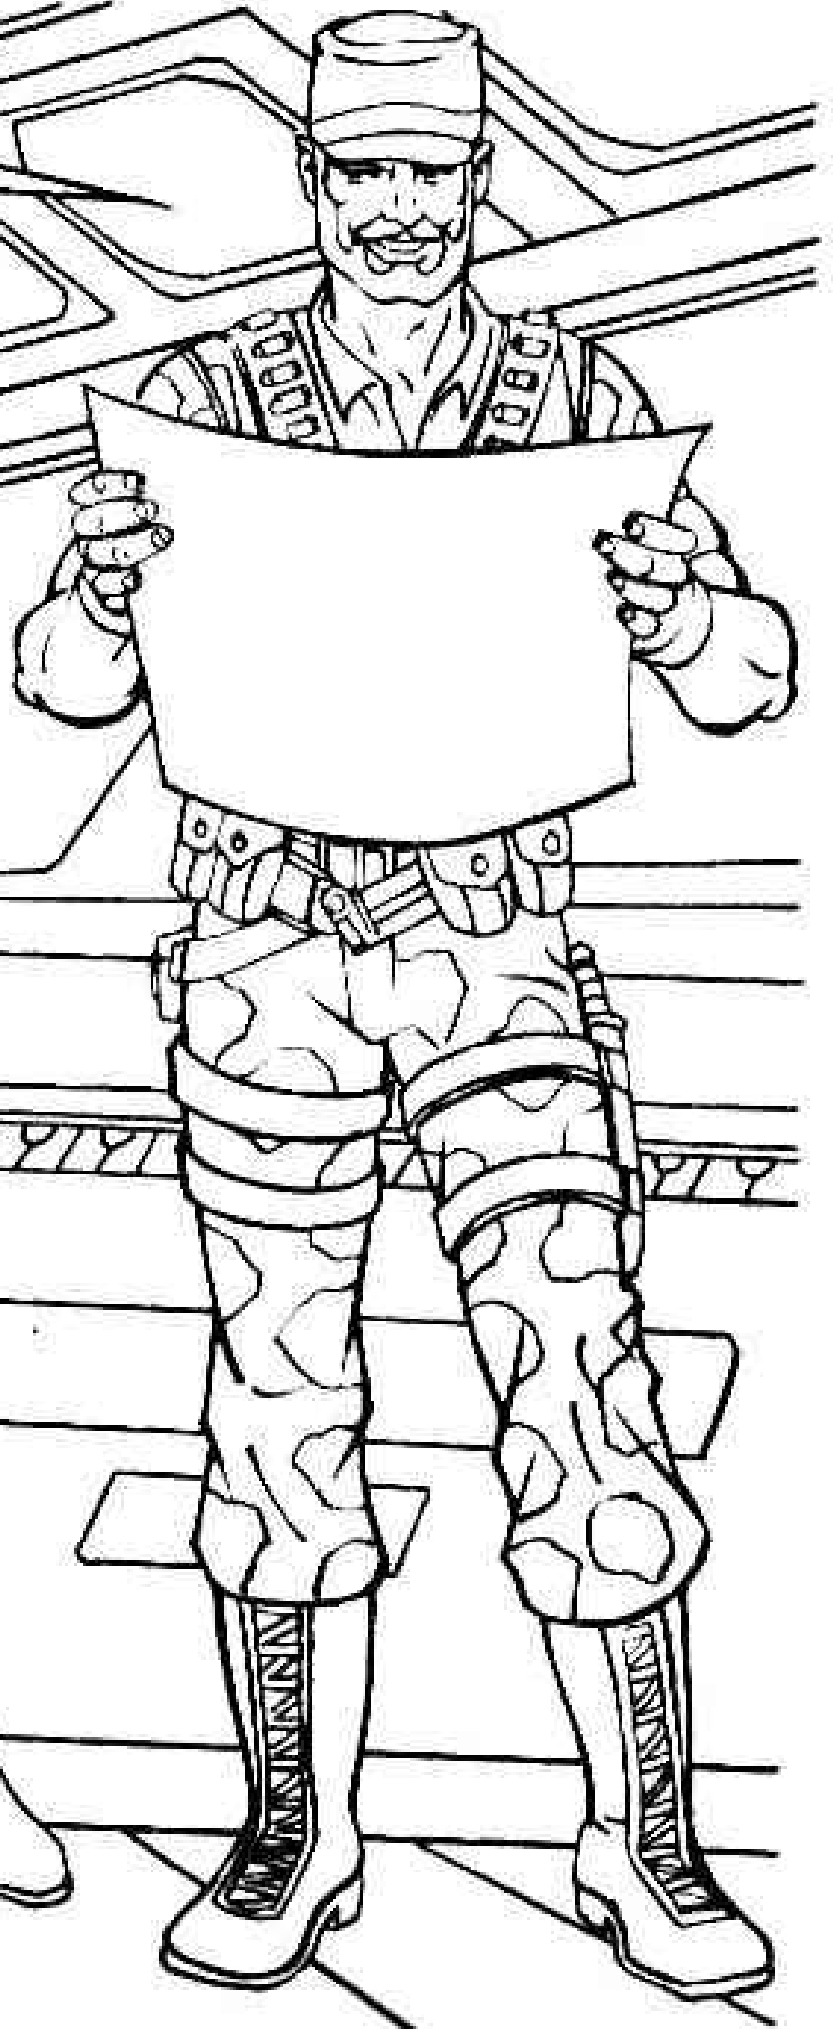

The Joes want to establish a base on the moon.

This propulsion unit is the key to that base.

THE SOONER YOU
FINISH THAT, THE
BETTER I'LL
FEEL ...

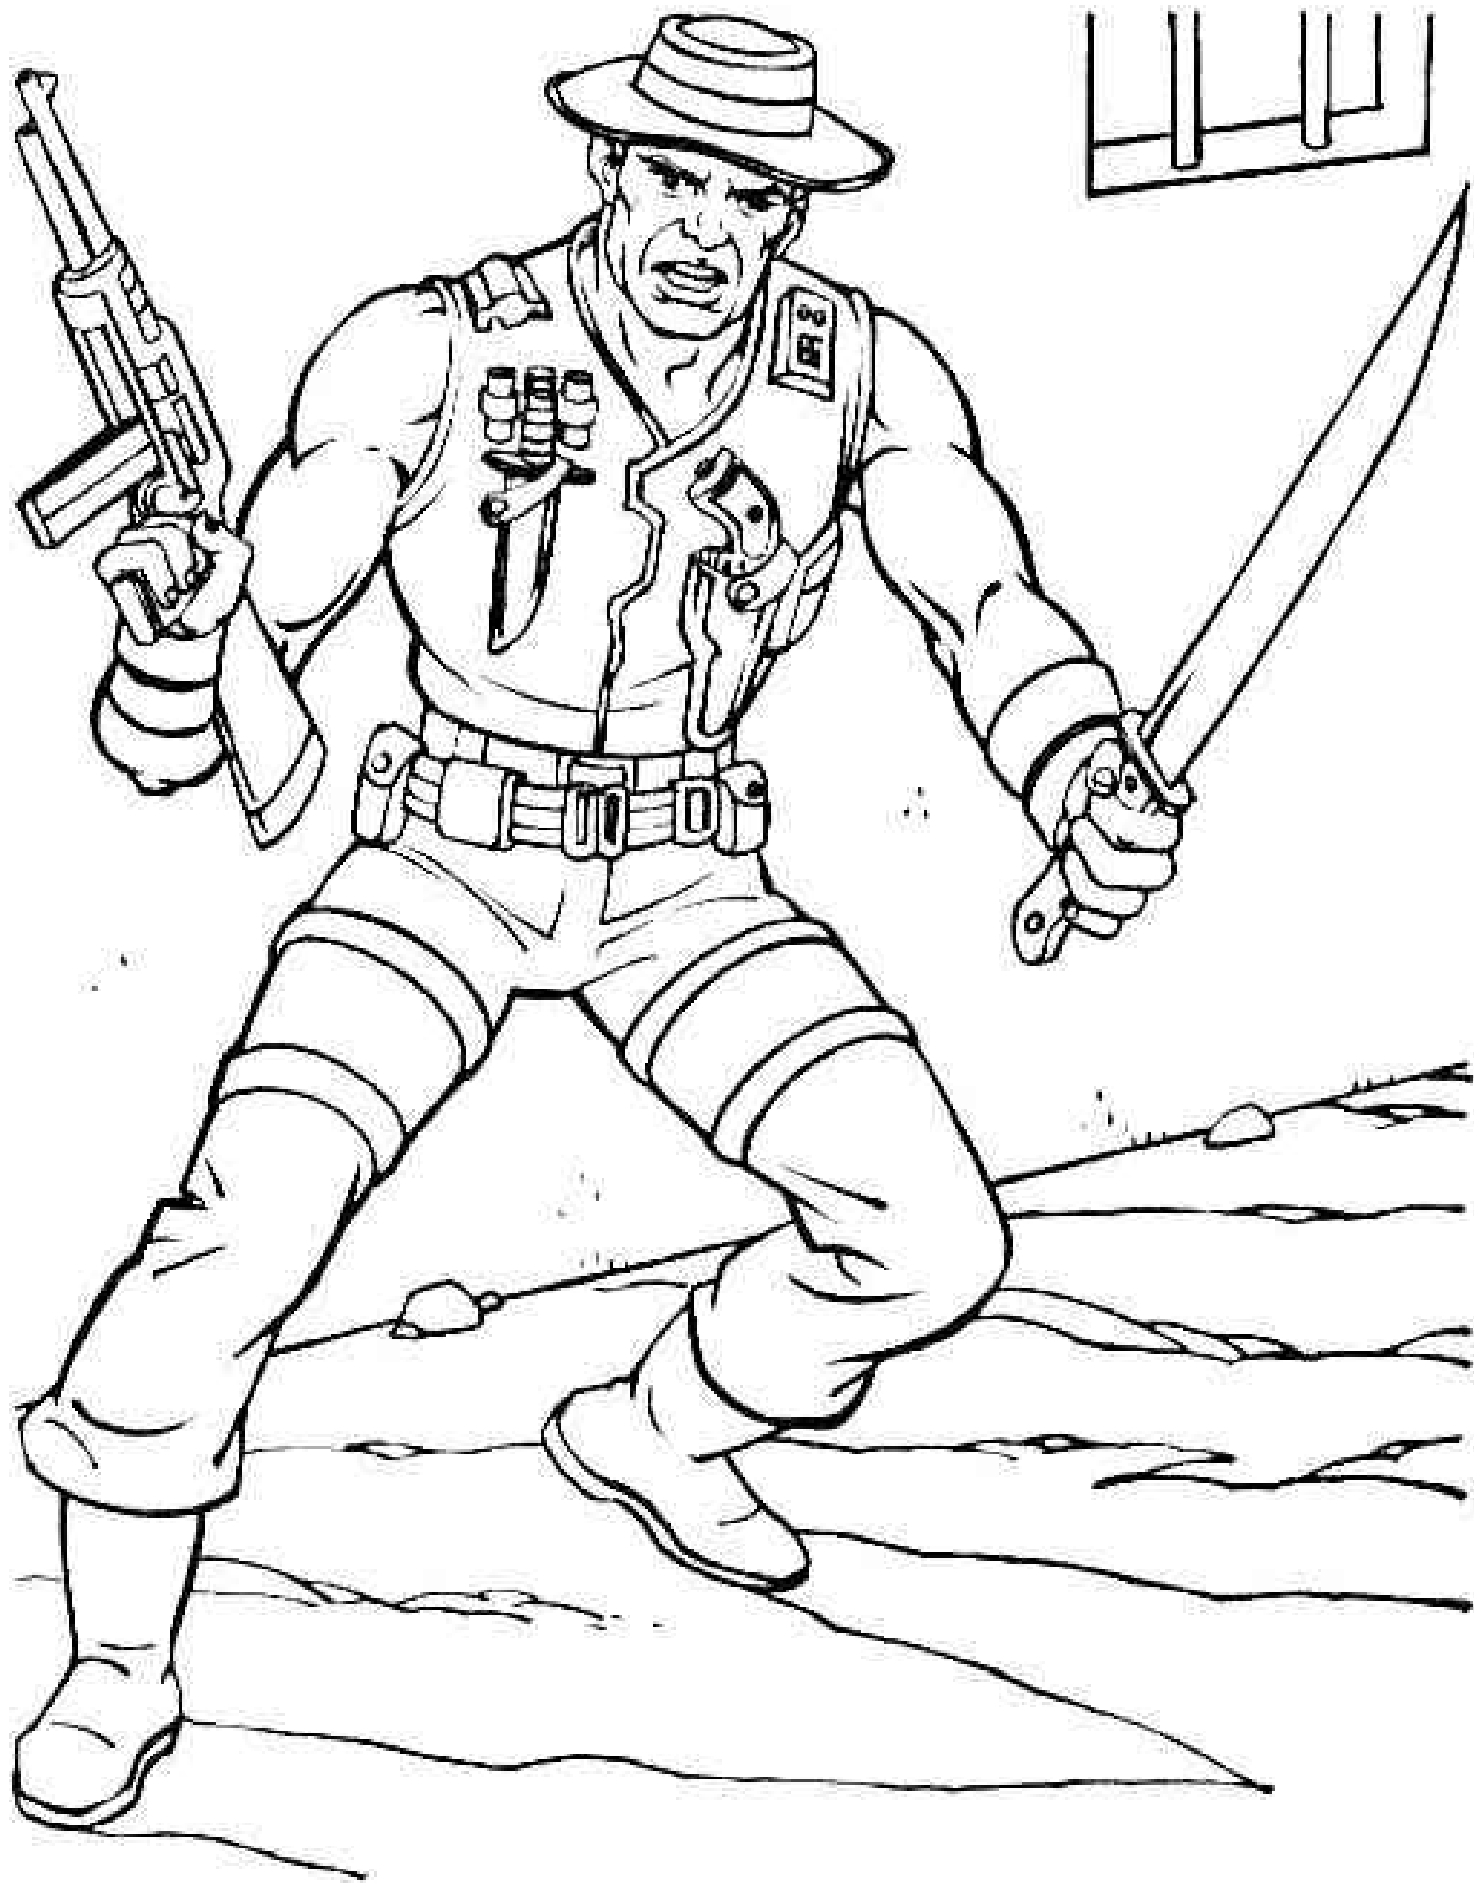

I'VE GOT JOE
INFANTRYMEN
GUARDING THIS
WHOLE
BUILDING...

...BUT WITH THE FIRST TESTING OF THAT UNIT LESS THAN A MONTH AWAY, I'M NOT TAKING ANY CHANCES. I'VE CALLED IN SOME OF MY TOP AGENTS.

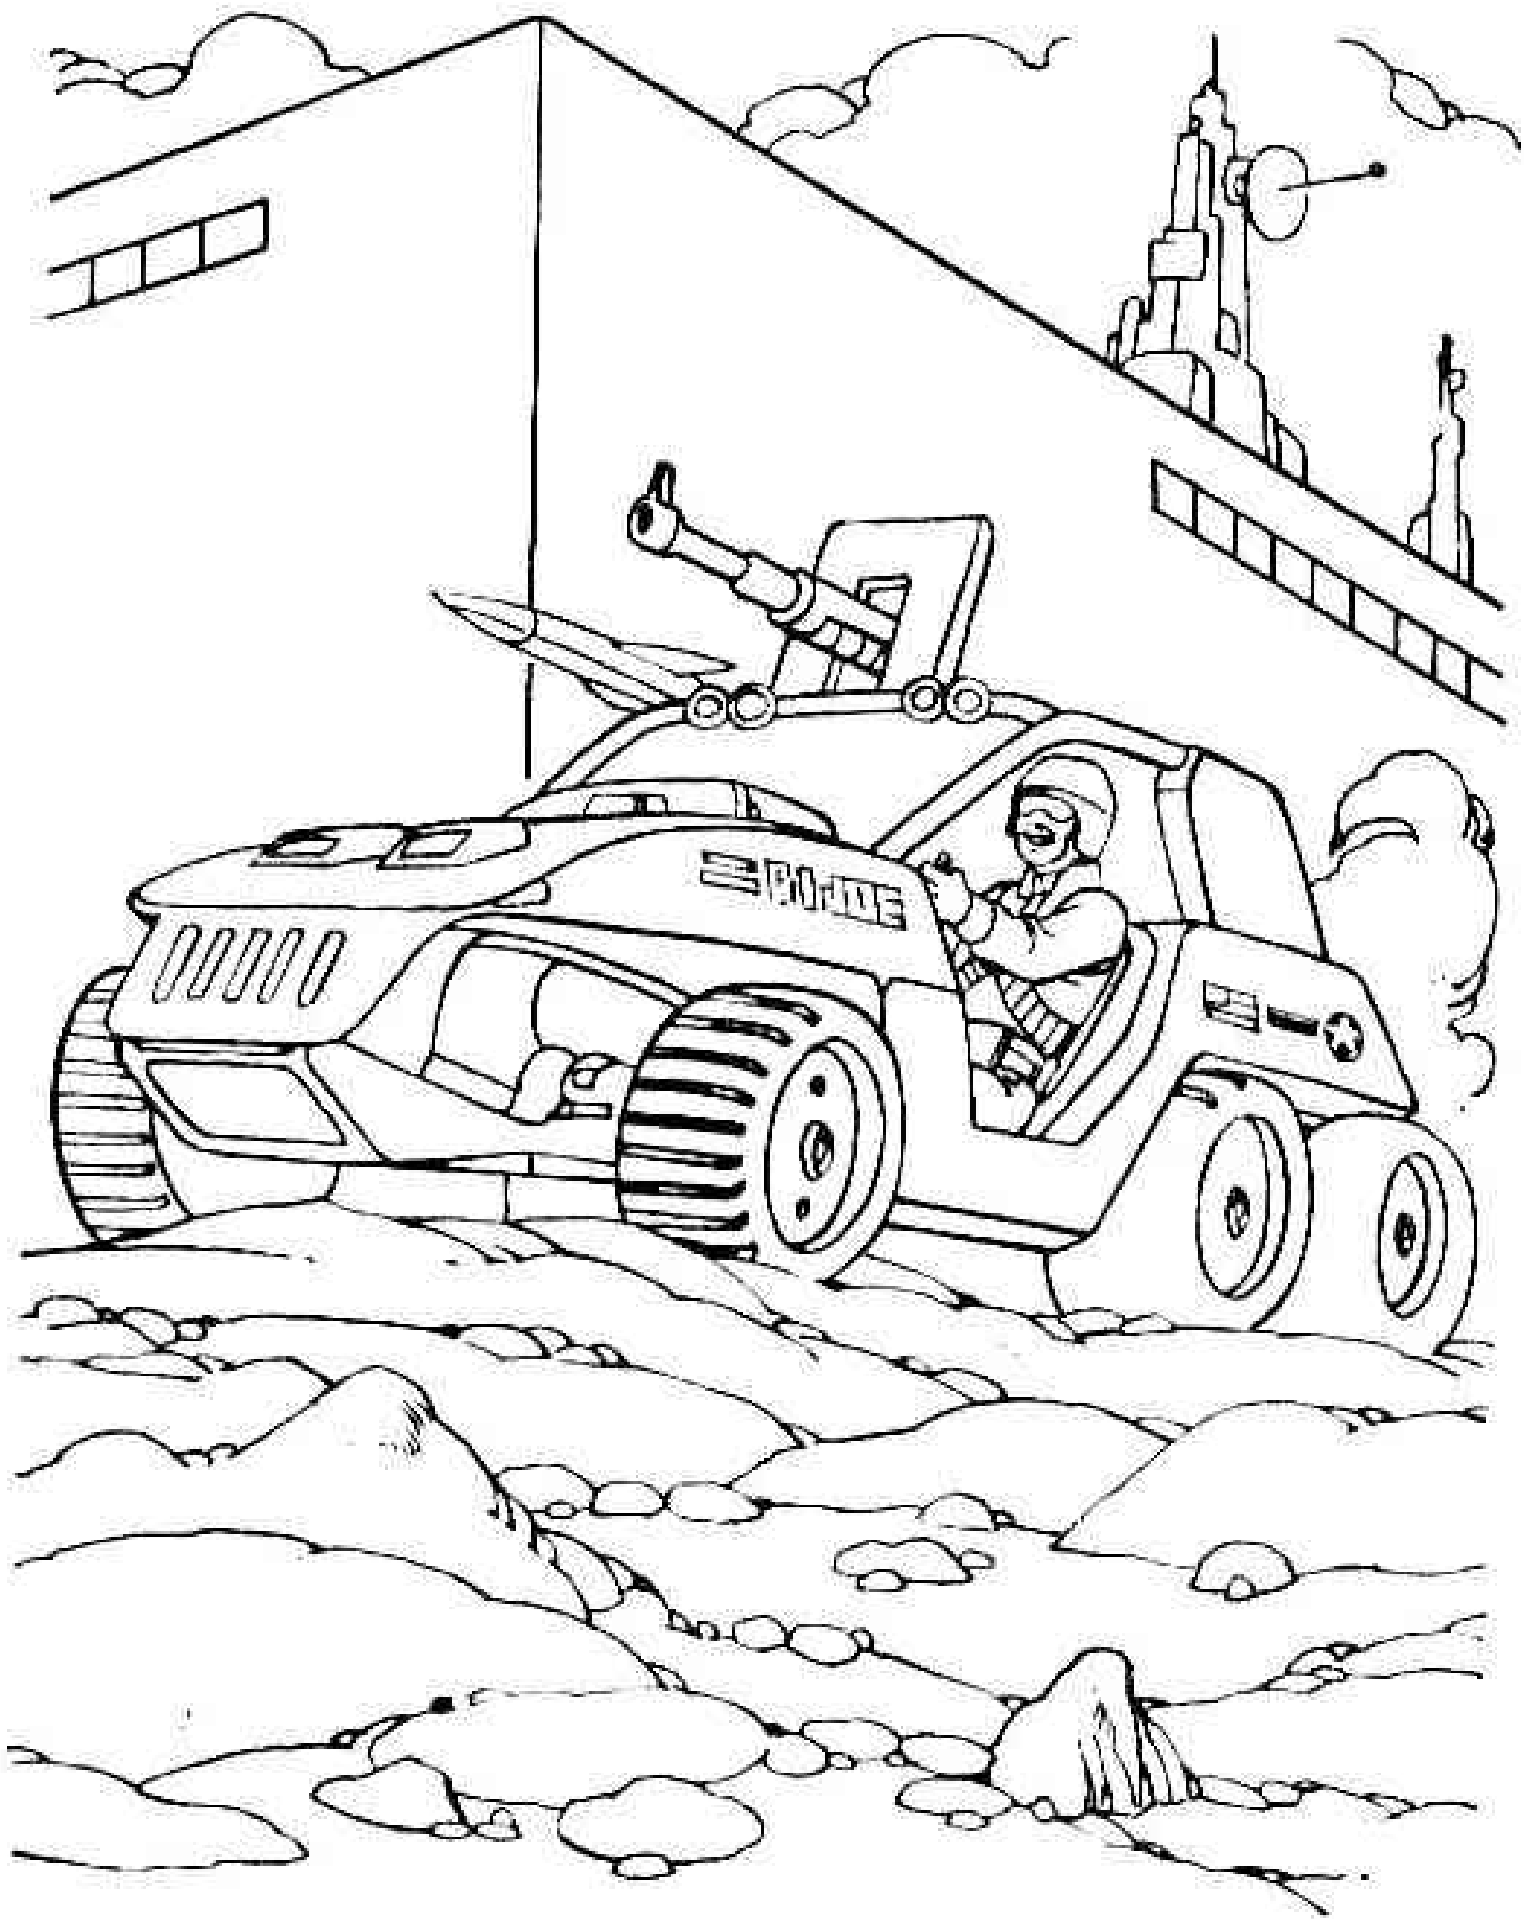

Muskrat

Shockwave

Hit & Run

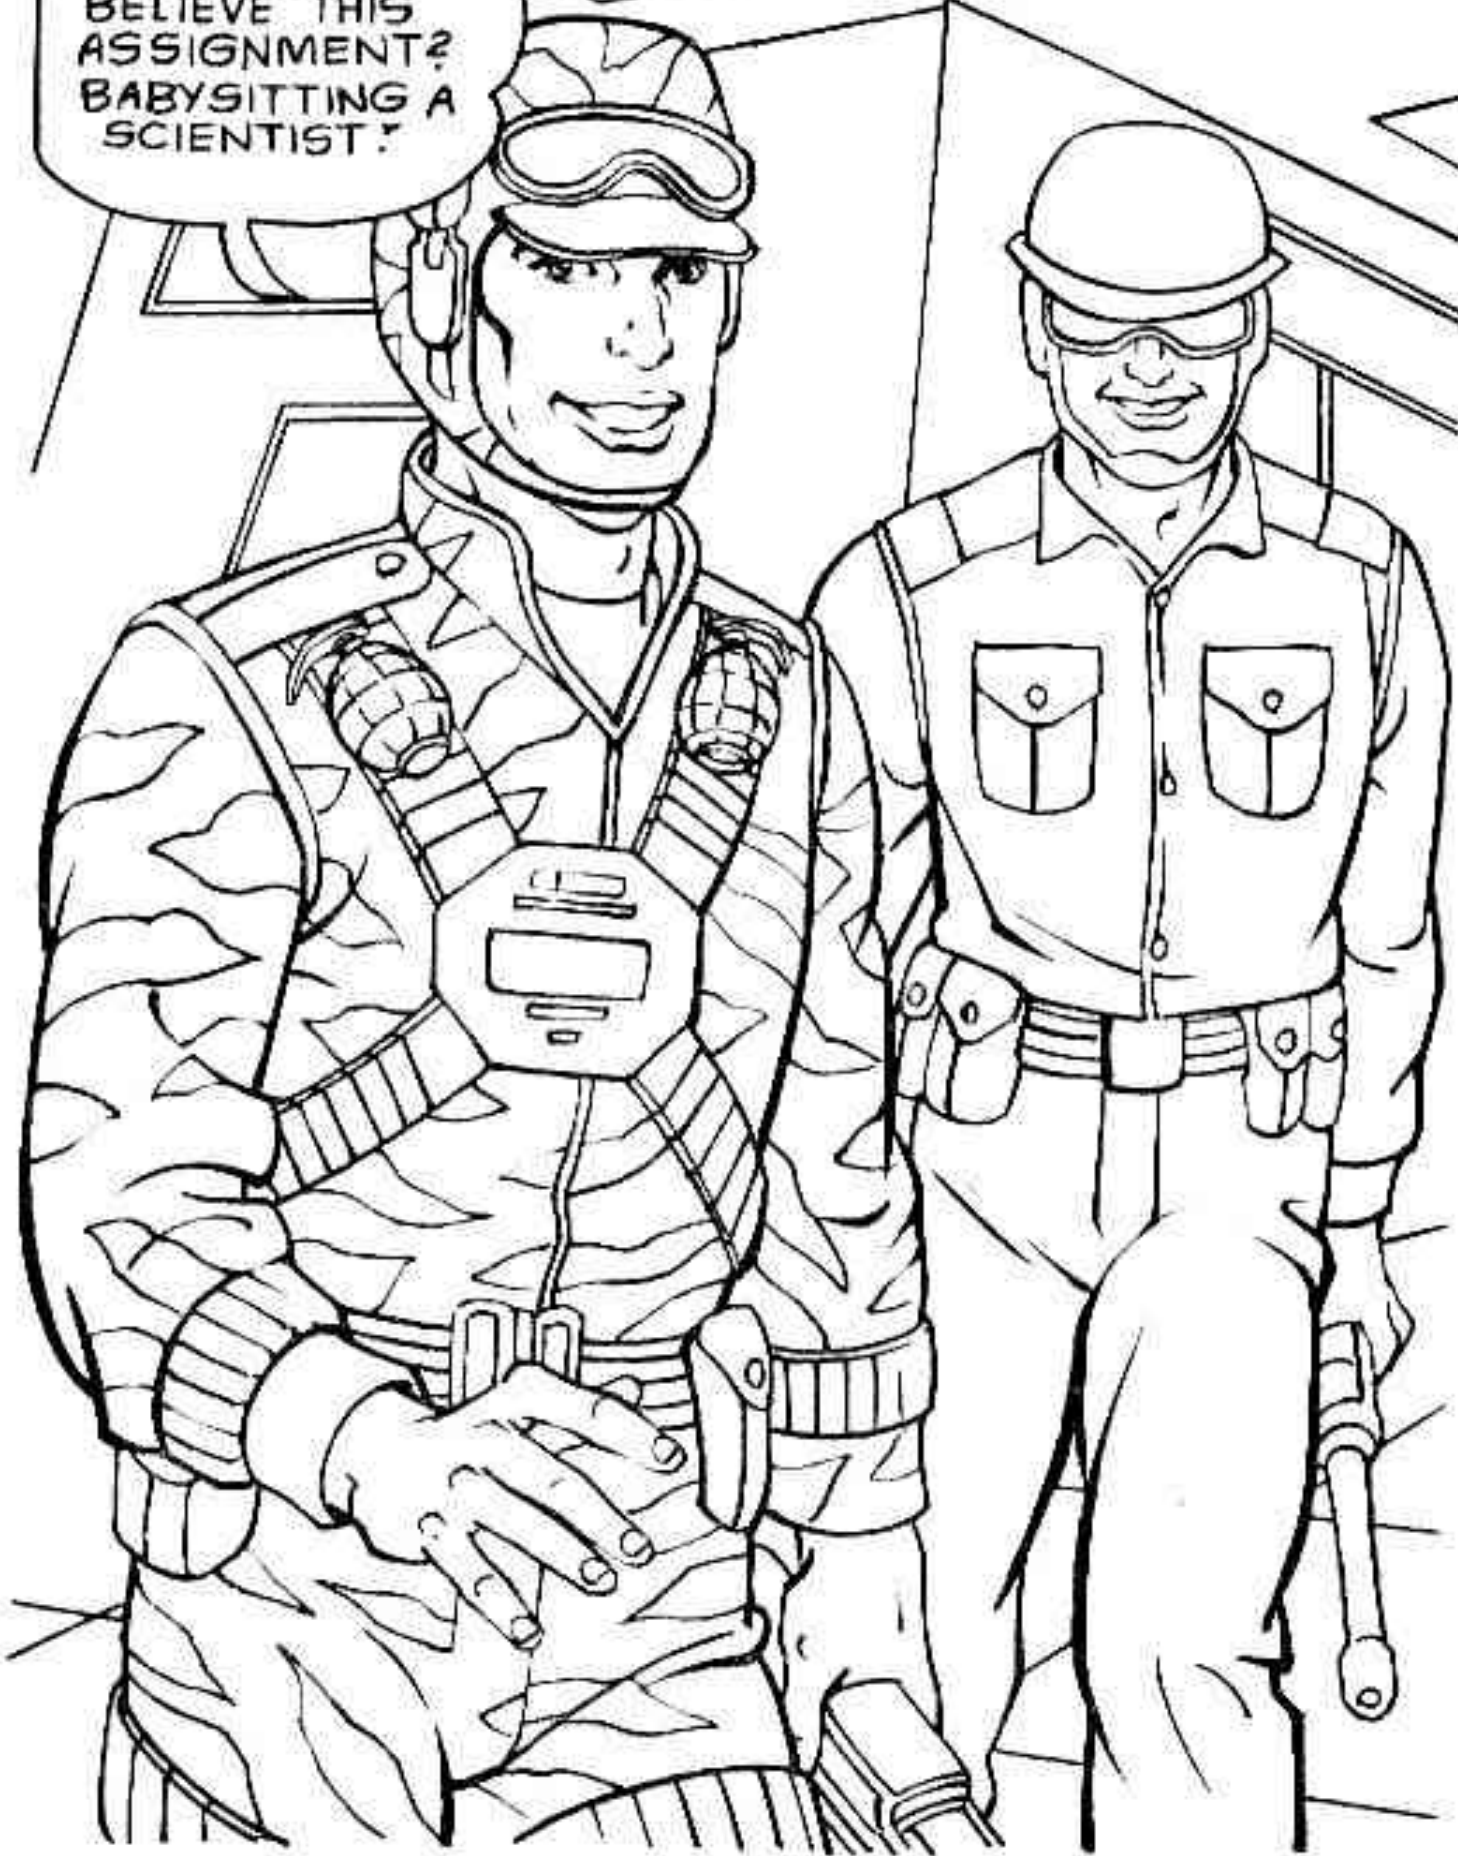

Skidmark in the Desert Fox

HEY, GUYS!
FANCY MEETING

SCIENTIST?

JUST
SITTING
AROUND, NO

GENTLEMEN, THIS IS PROFESSOR GRUBE, ... PROFESSOR, THESE ARE MY TOP AGENTS.

I HAVEN'T DONE ANY BABYSITTING SINCE I WAS 15 YEARS OLD.

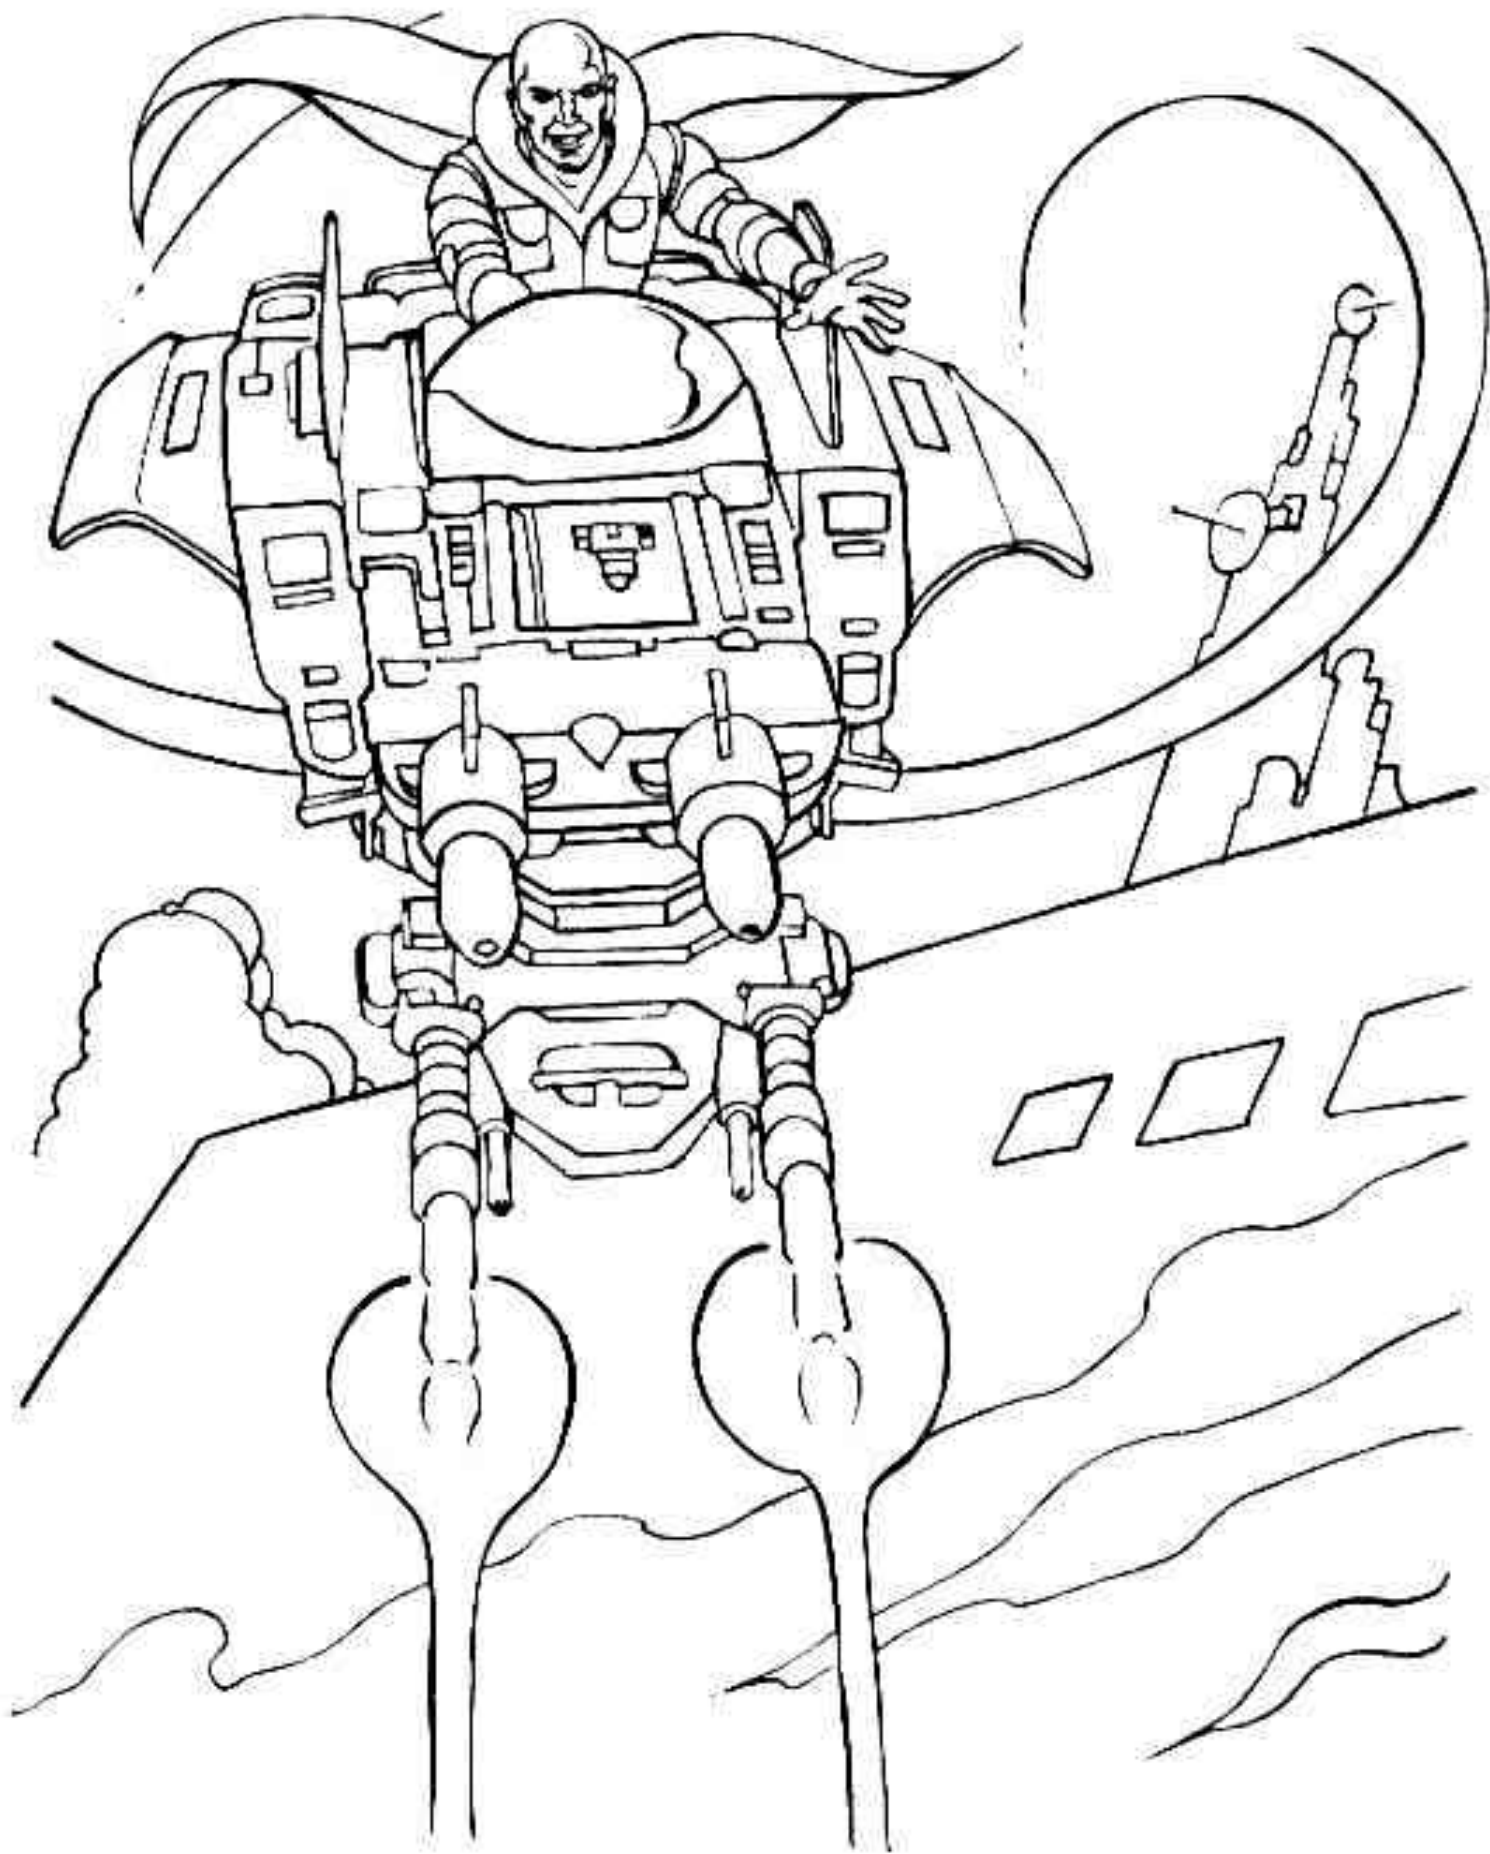

Suddenly an alarm sounds in the lab.

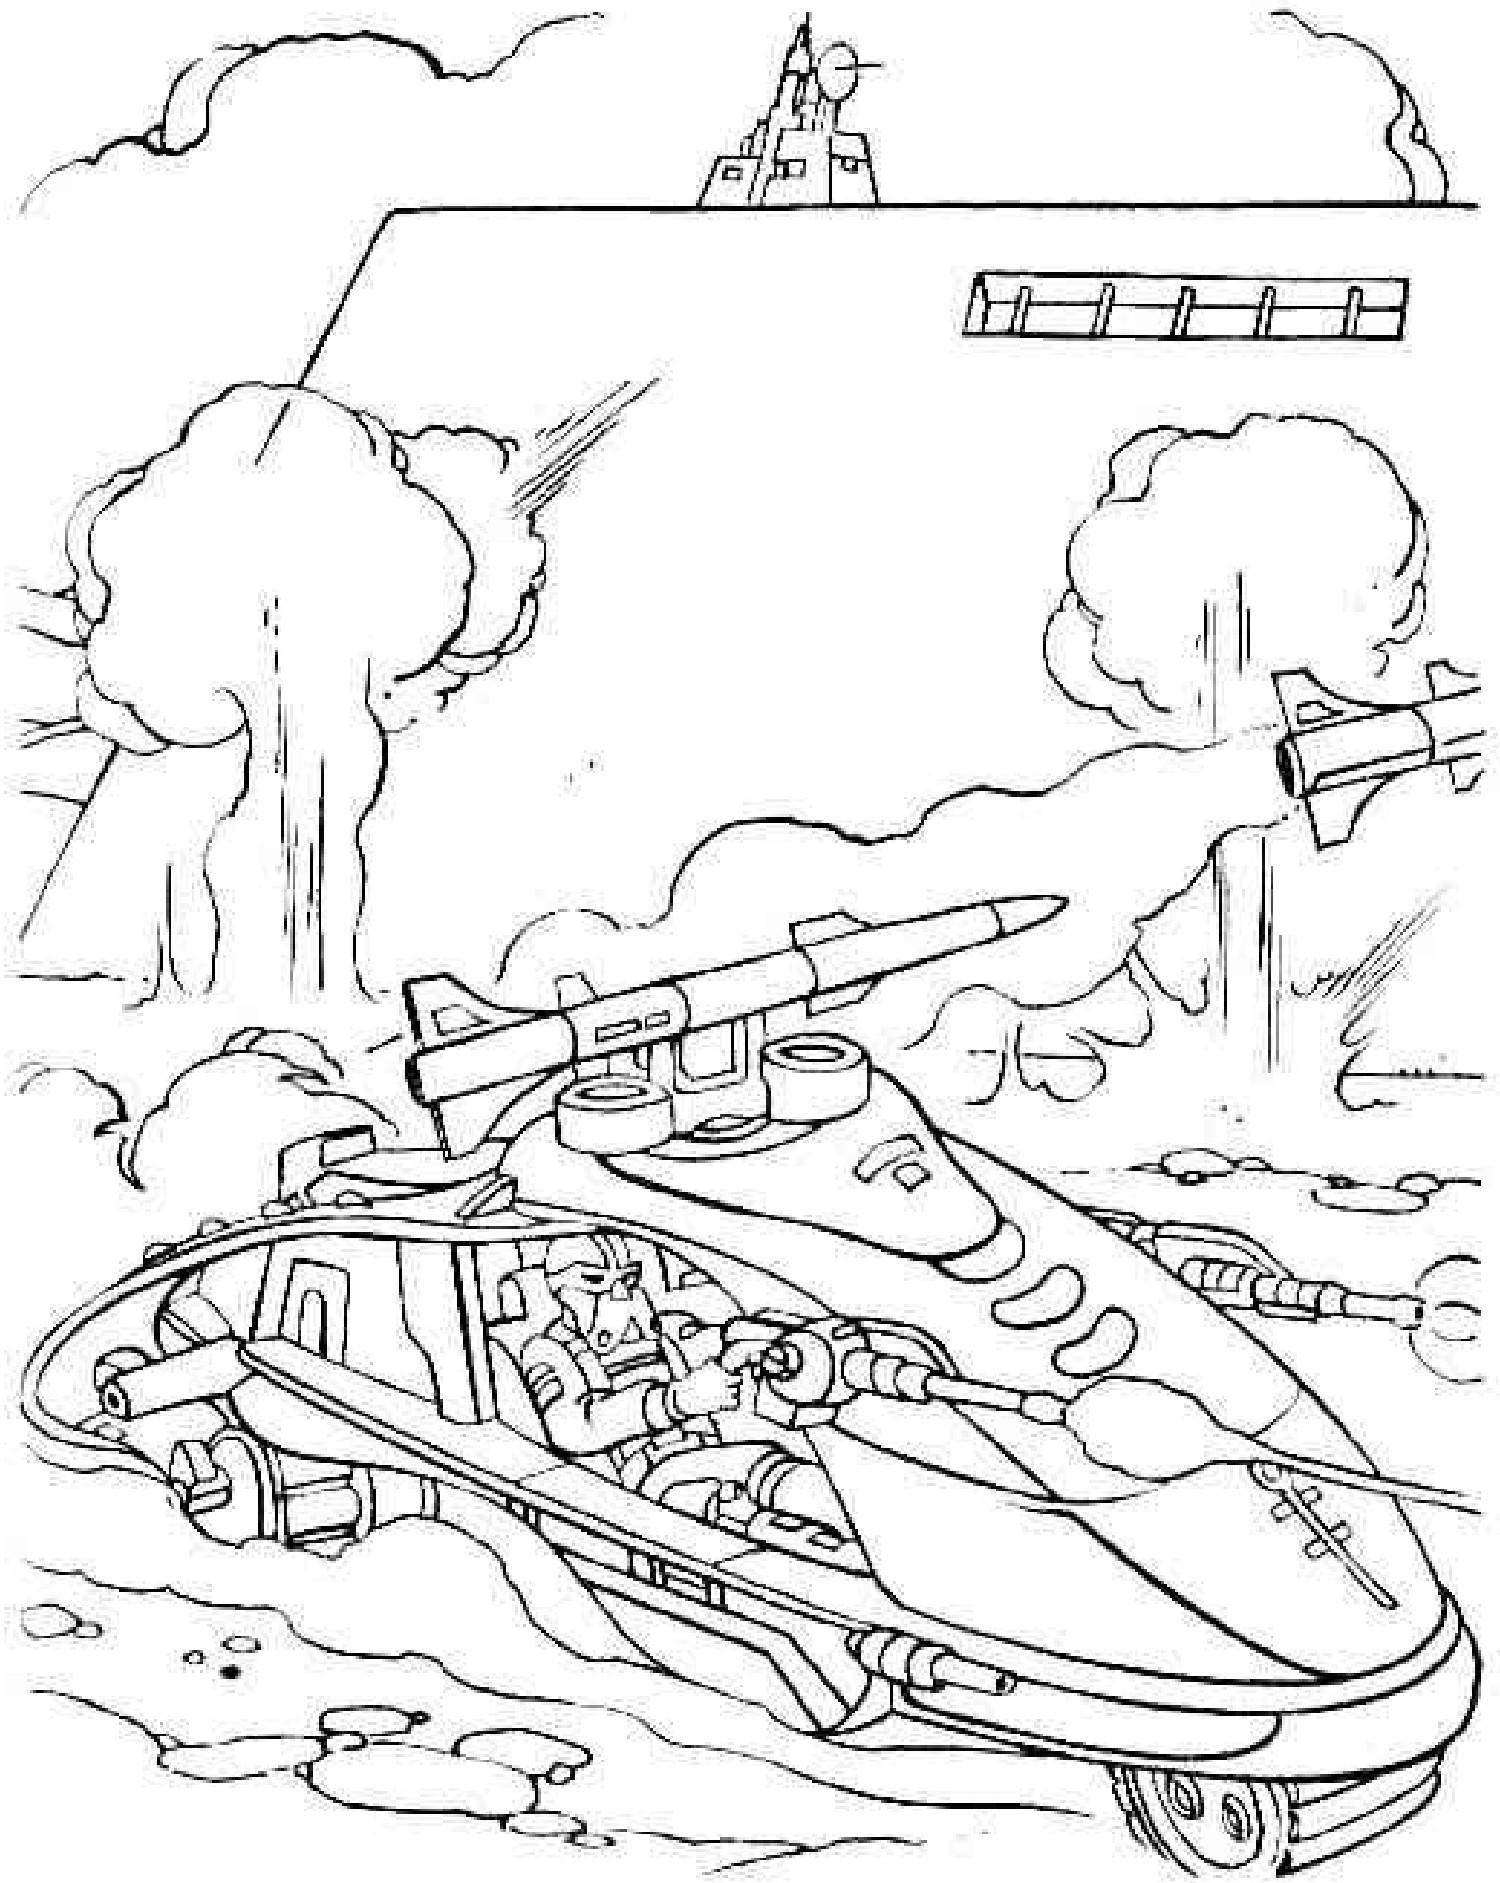

ALL RIGHT, GUYS!
HERE'S YOUR BIG
CHANCE. LET'S
GET MOVING,
JOES!

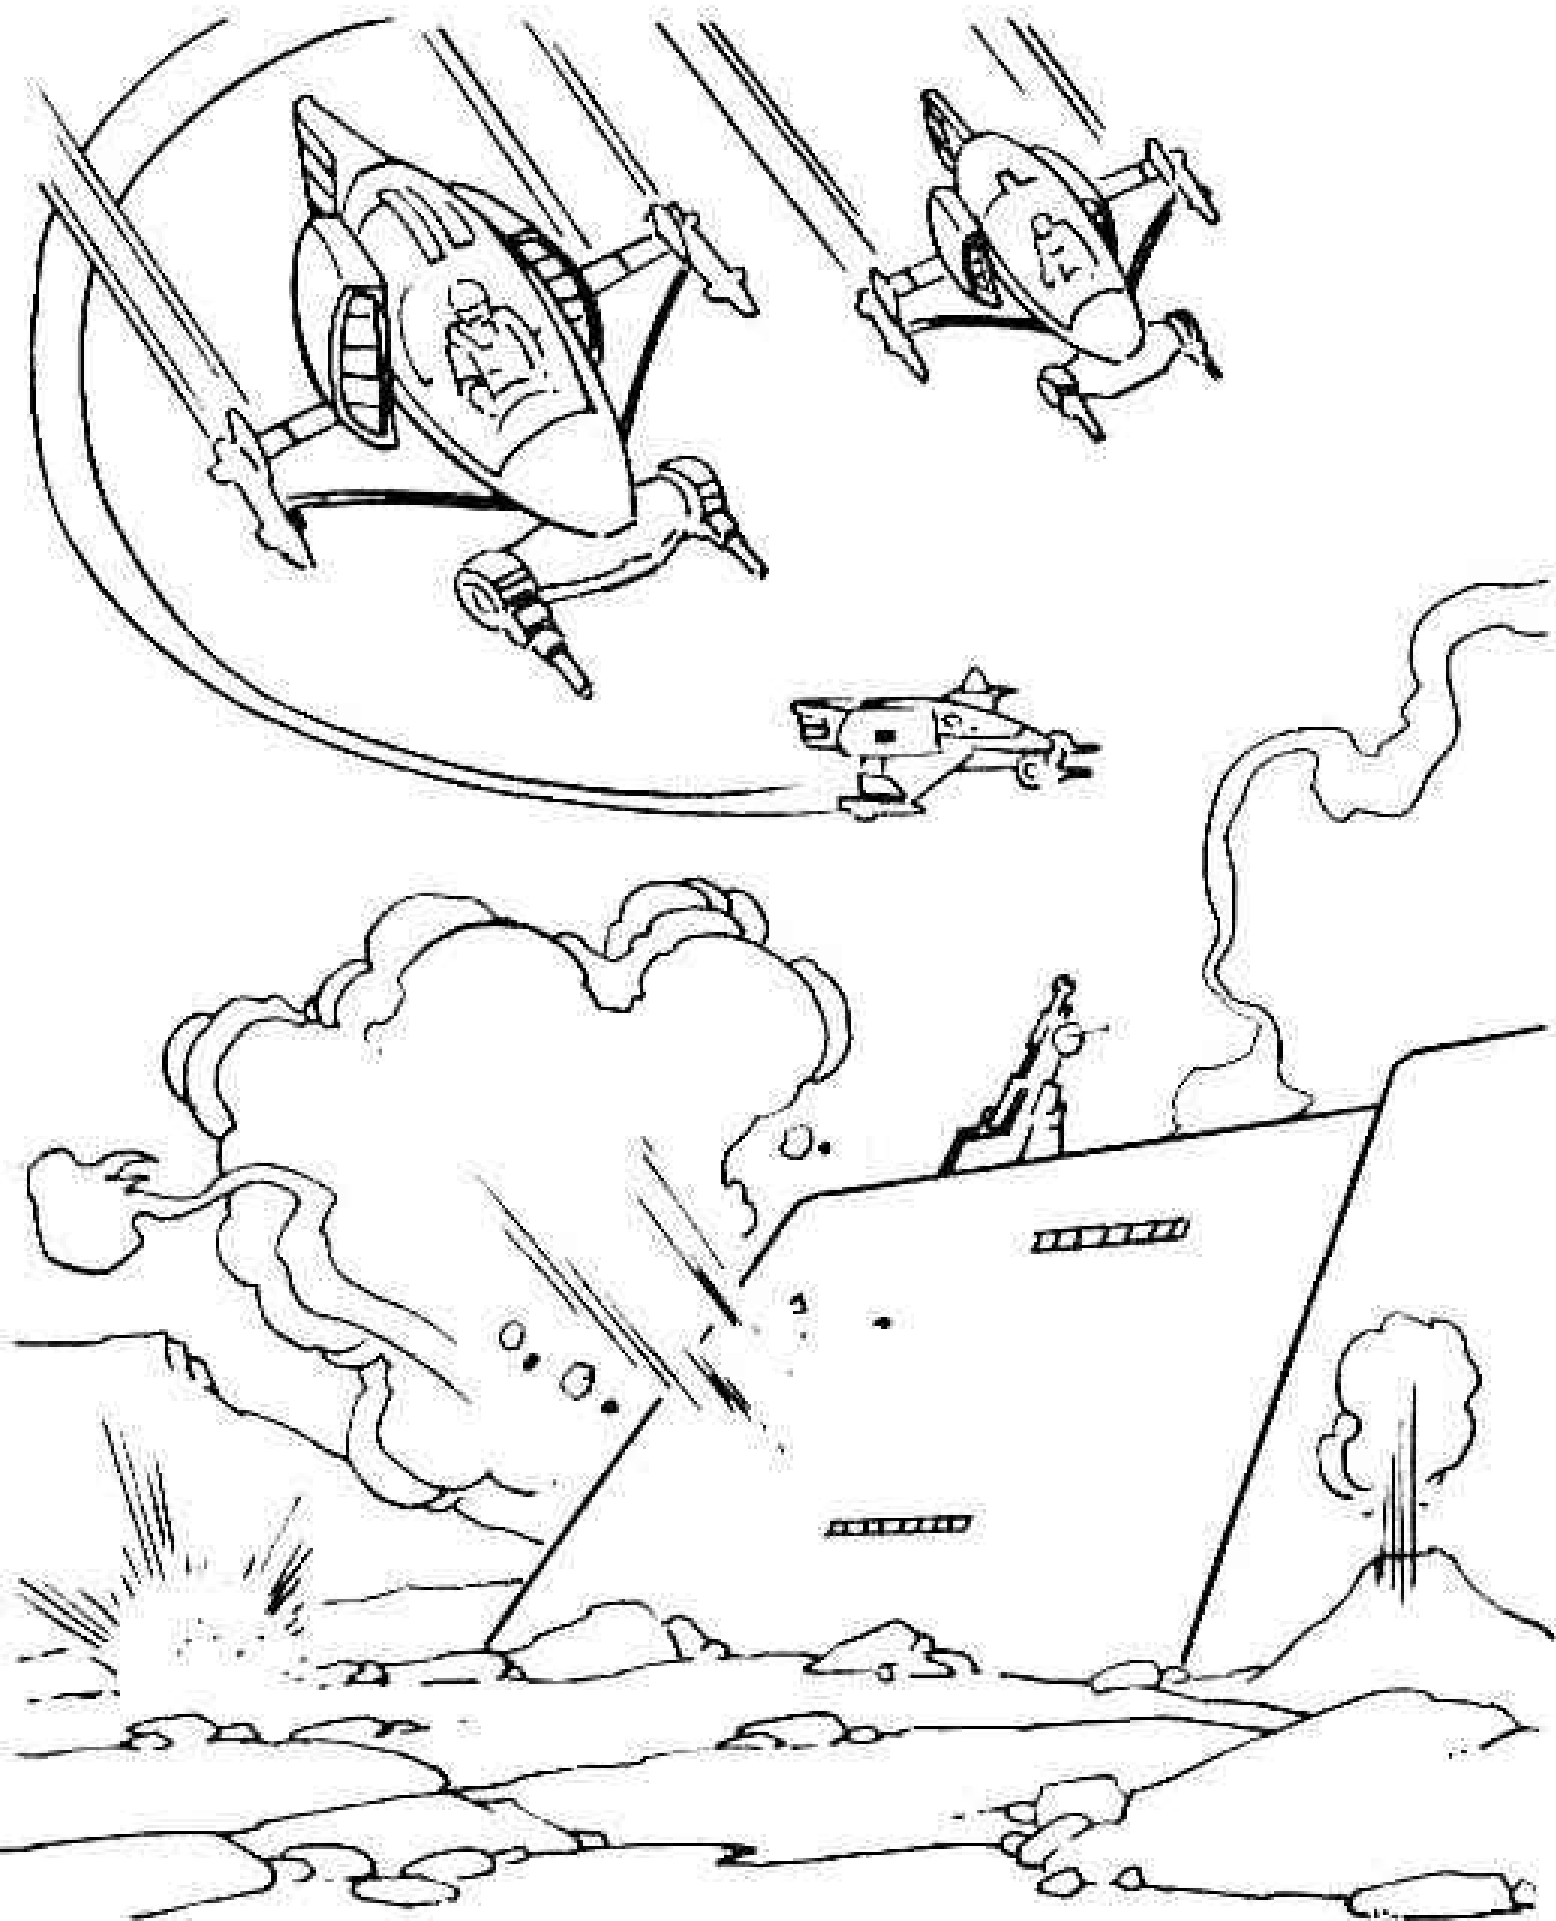

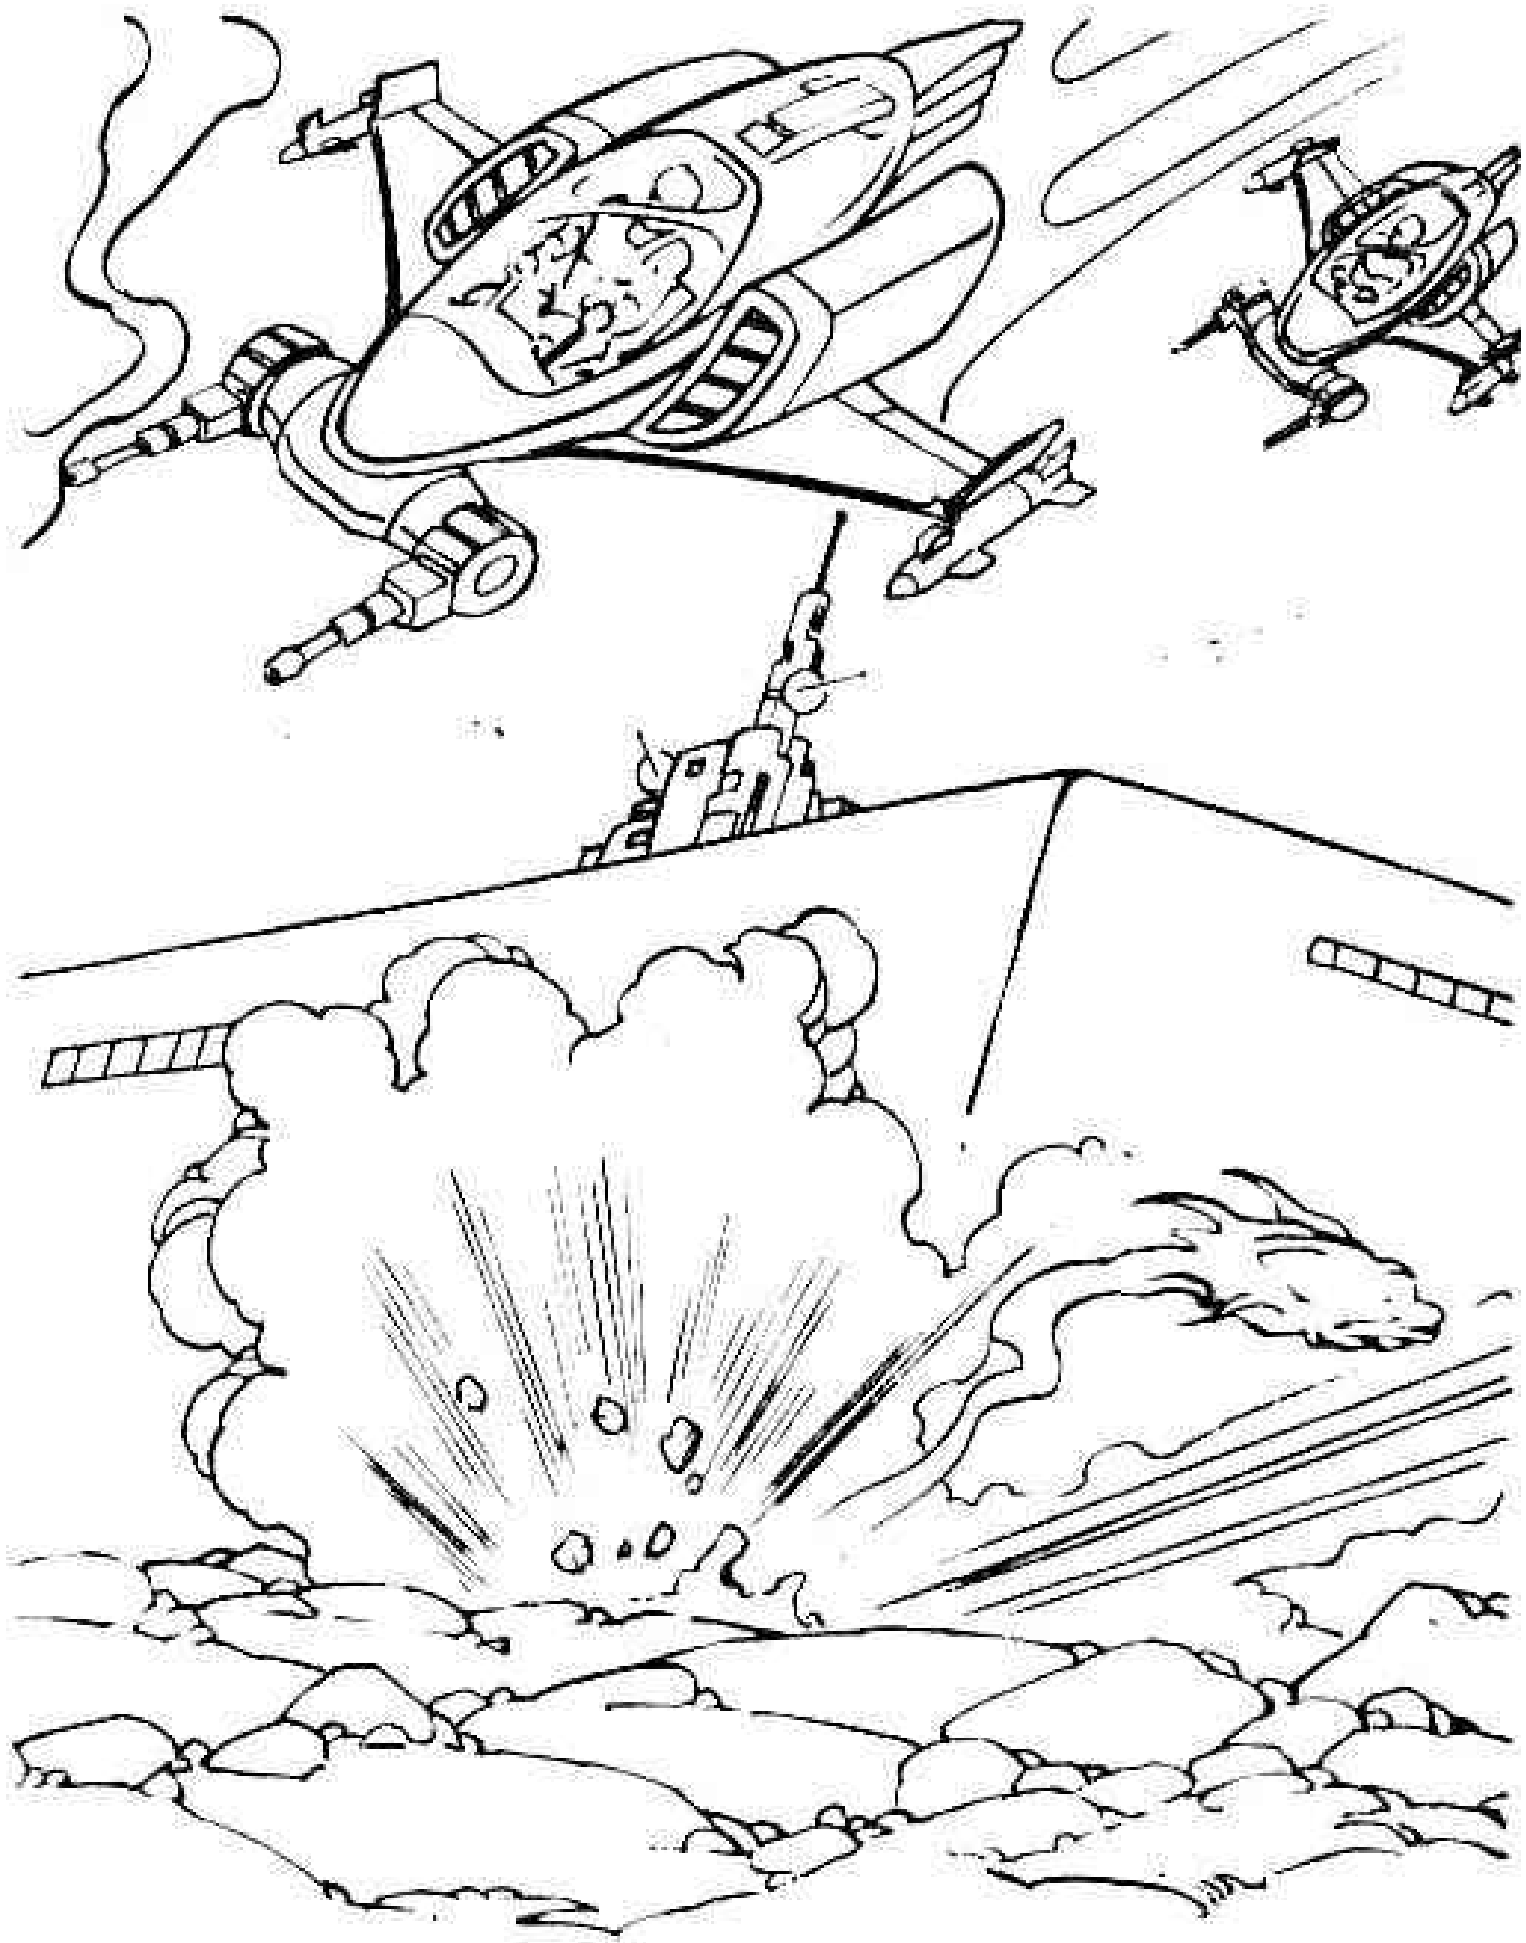

Outside of the lab, Destro attacks in the Despoiler...

and Darklon fires from the Evader!

At the same time, a squadron of Iron Grenadiers swoops in with Anti-Grav Pods.

G.I. Joe infantrymen try to stop the Iron Grenadiers.

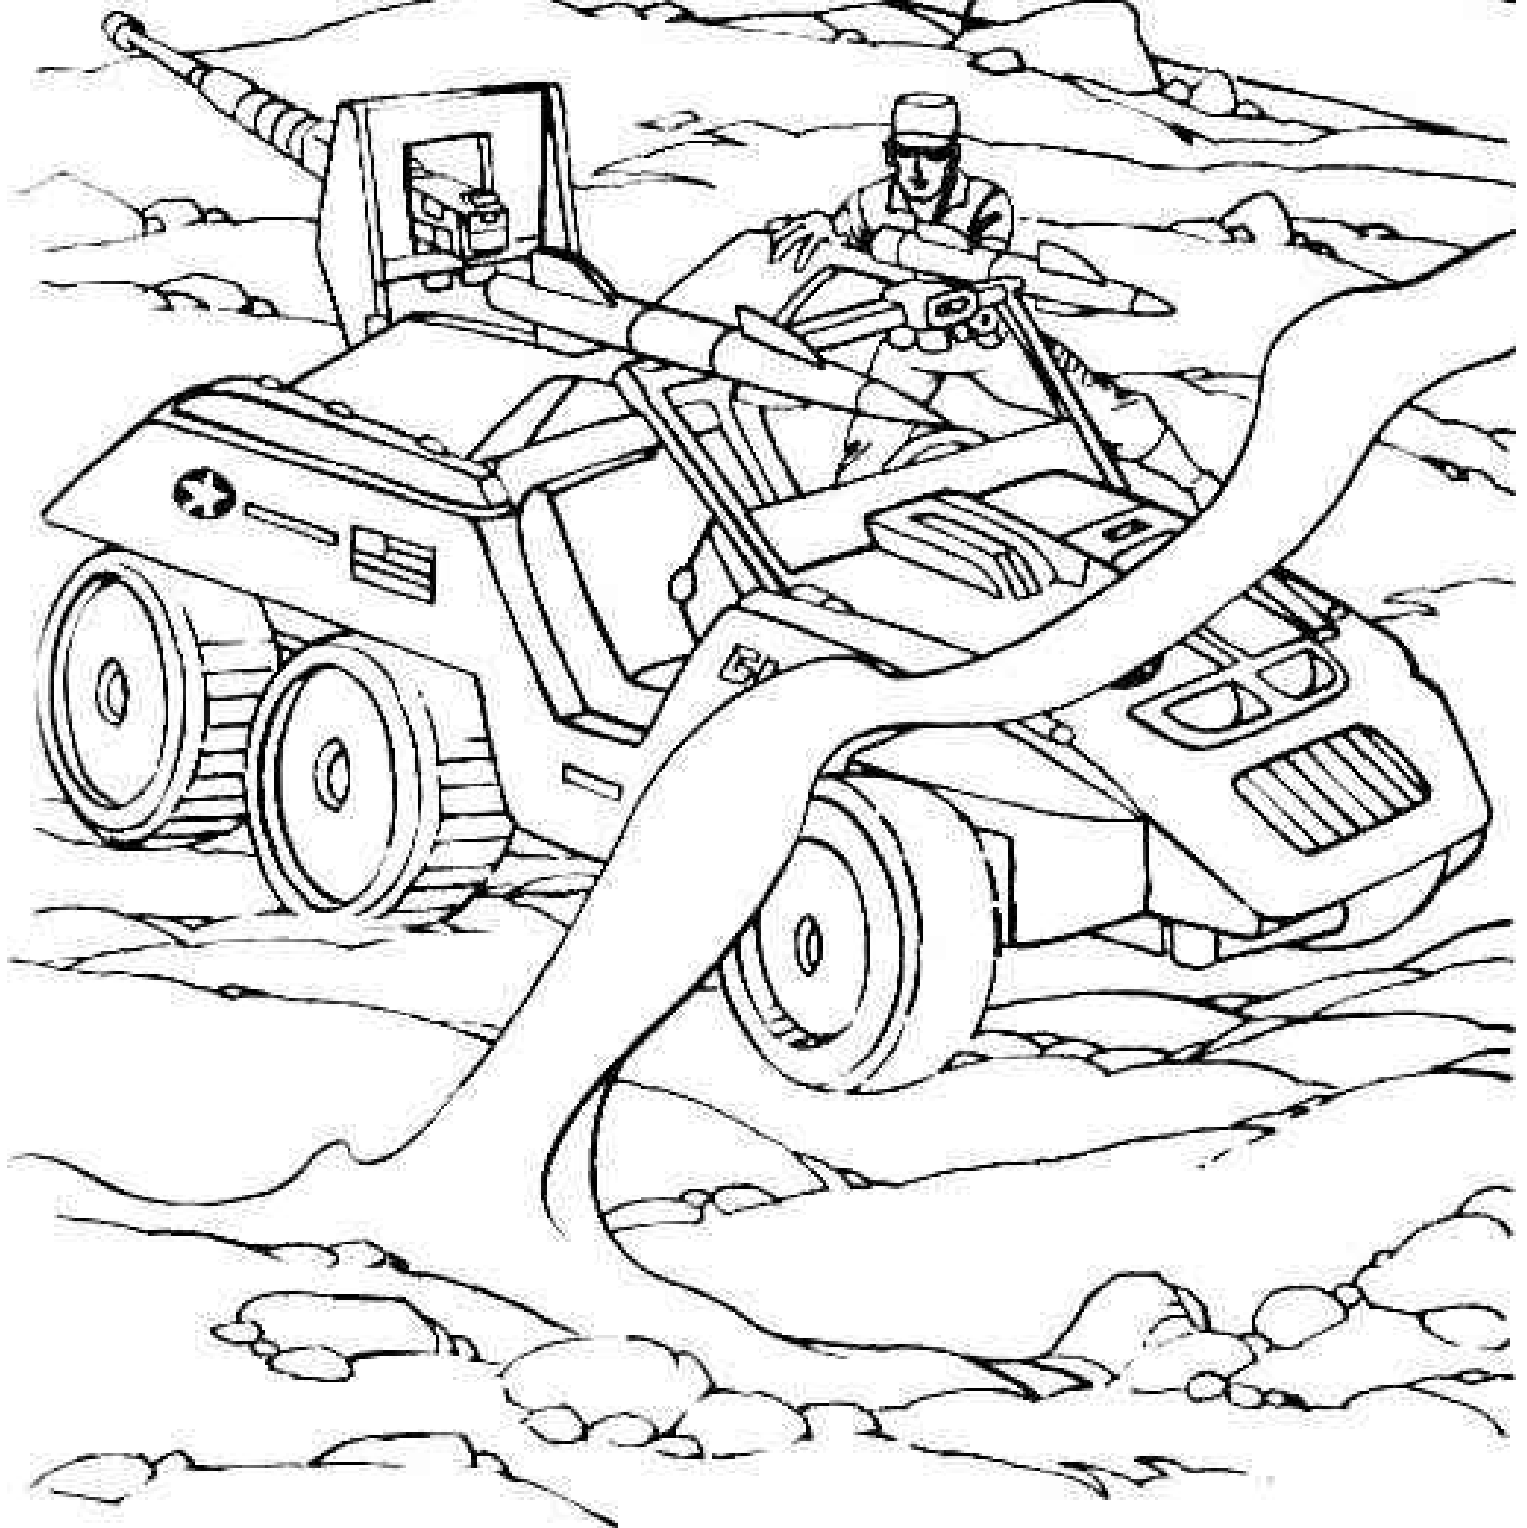

But the powerful Iron Grenadiers prove to be too much for the Joe infantrymen.

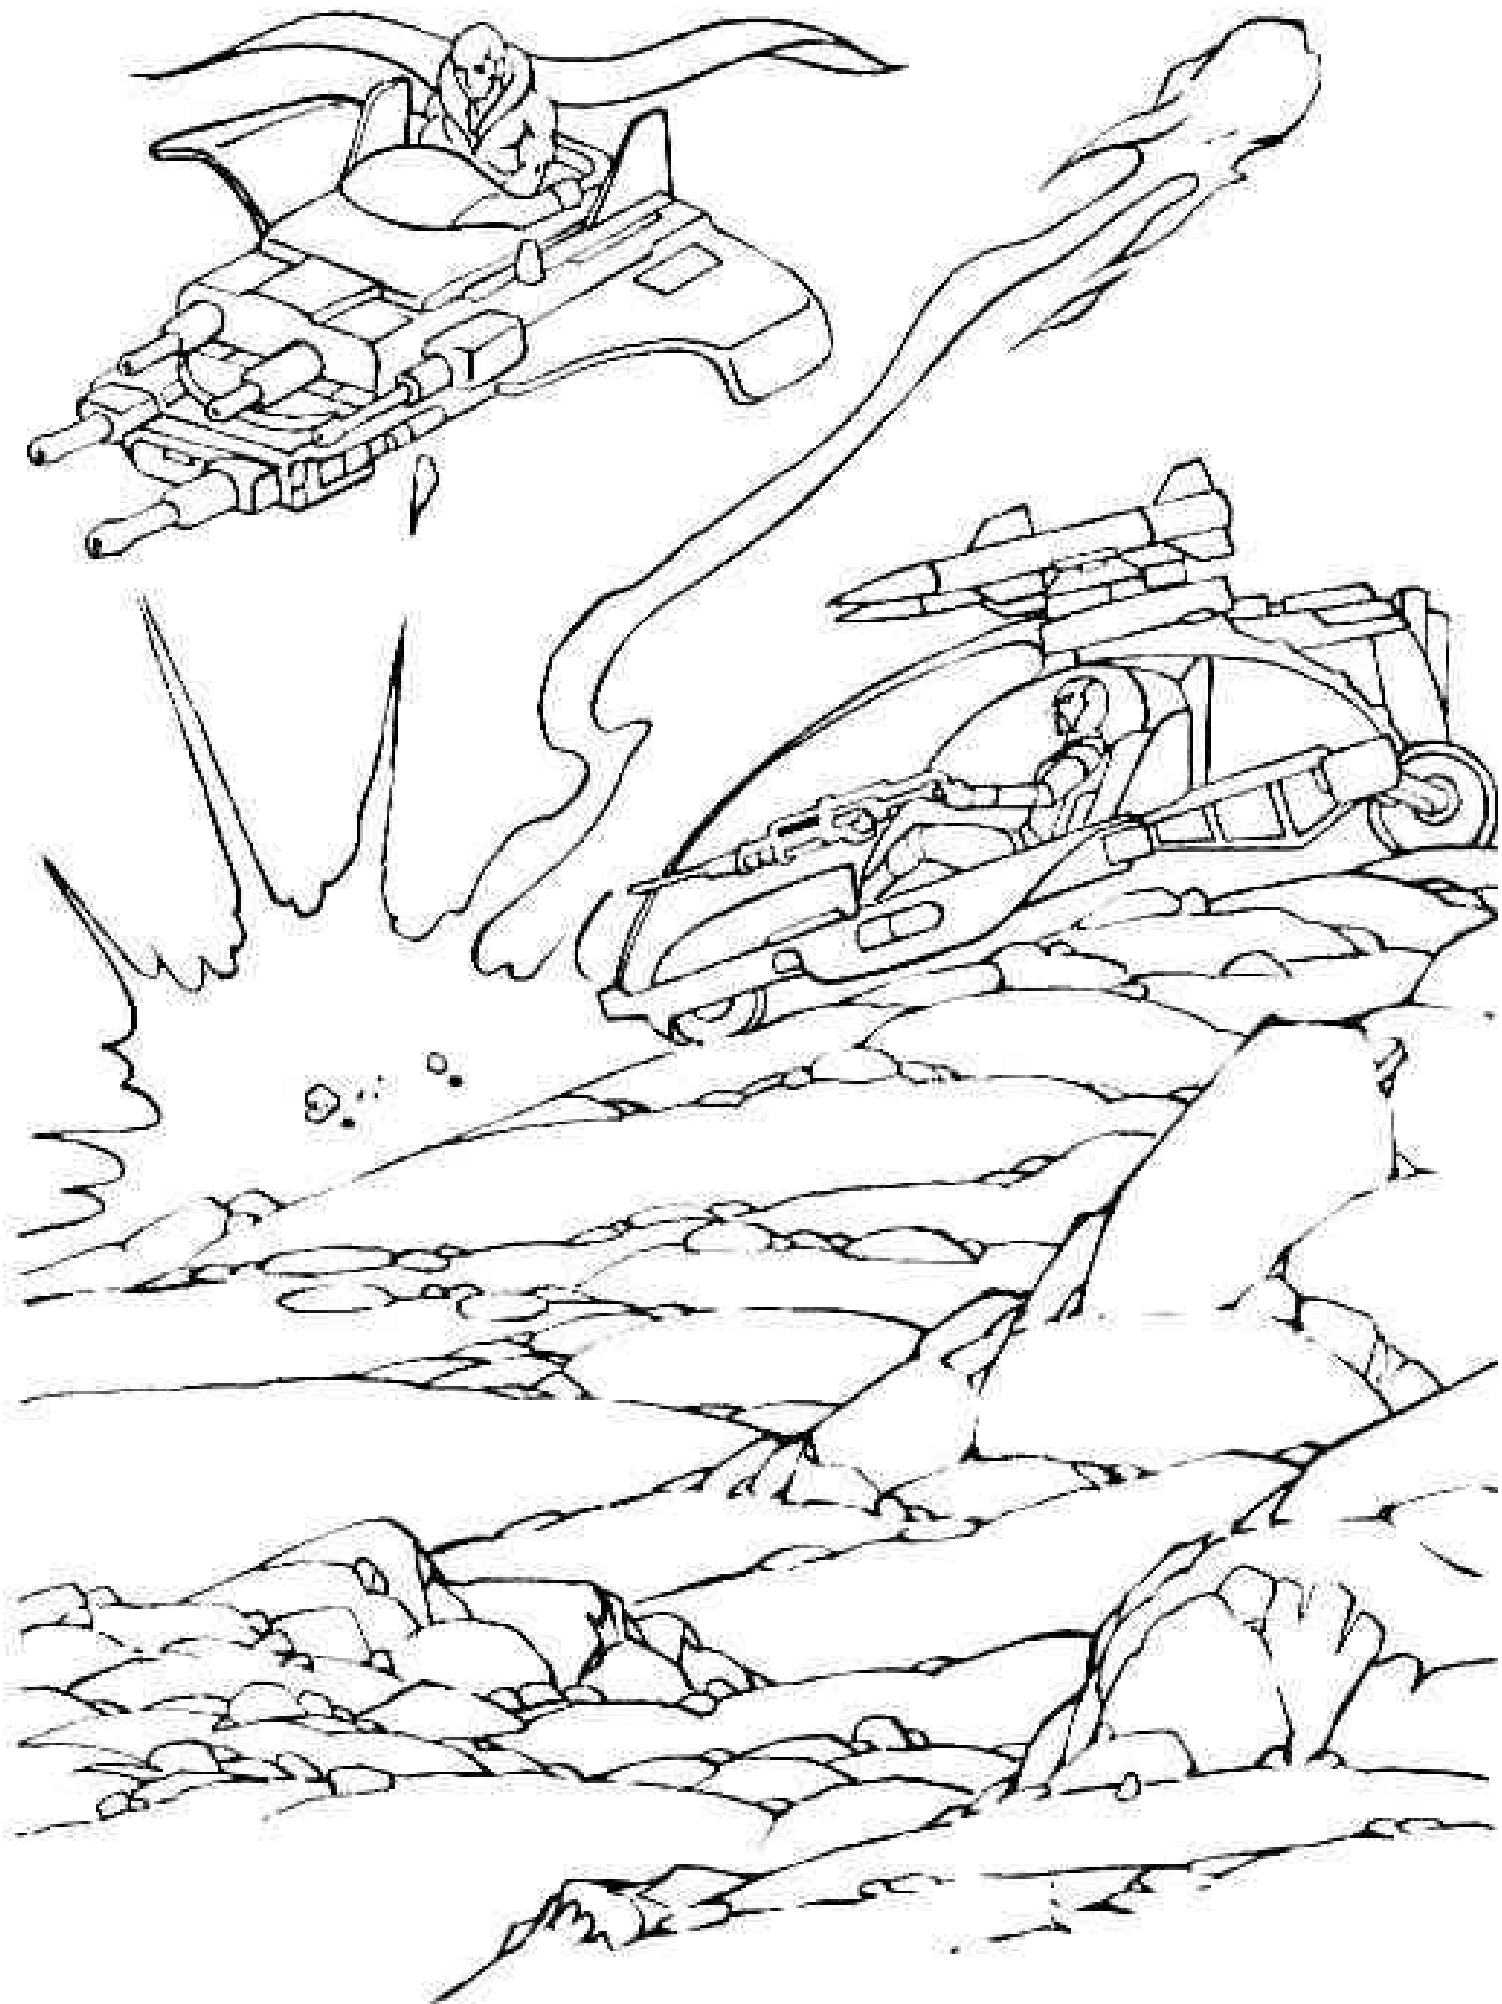

Muskrat, Shockwave, and Hit & Run rush to aid the infantrymen.

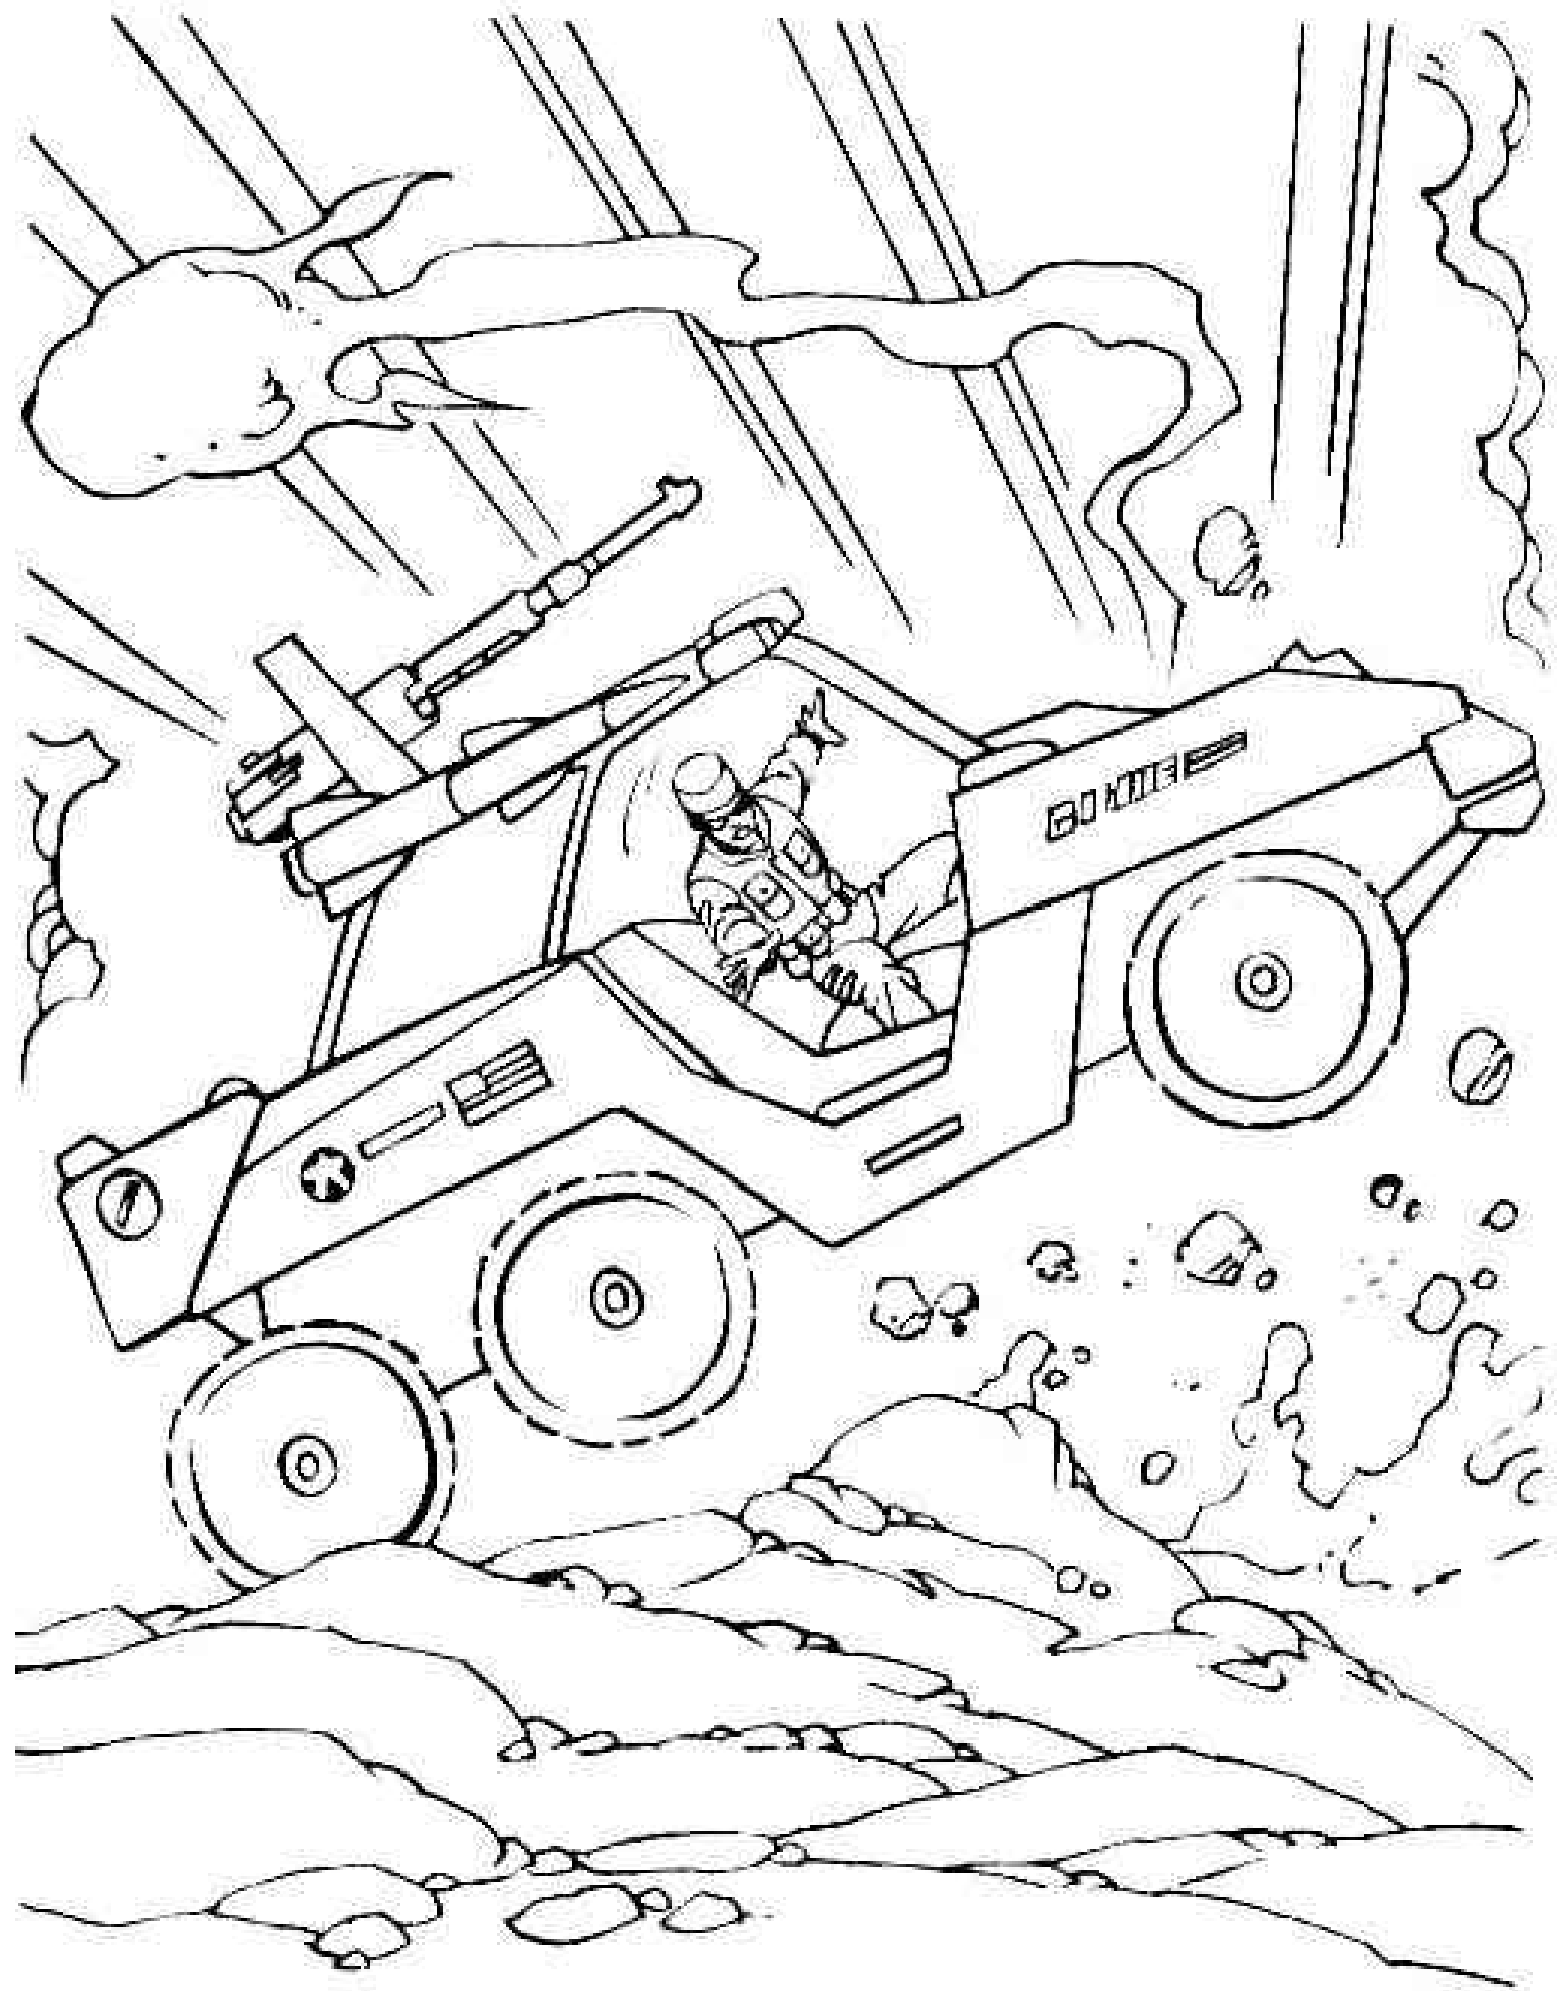

I'M ON MY WAY, GUYS!

Skidmark battles Destro and Darklon.

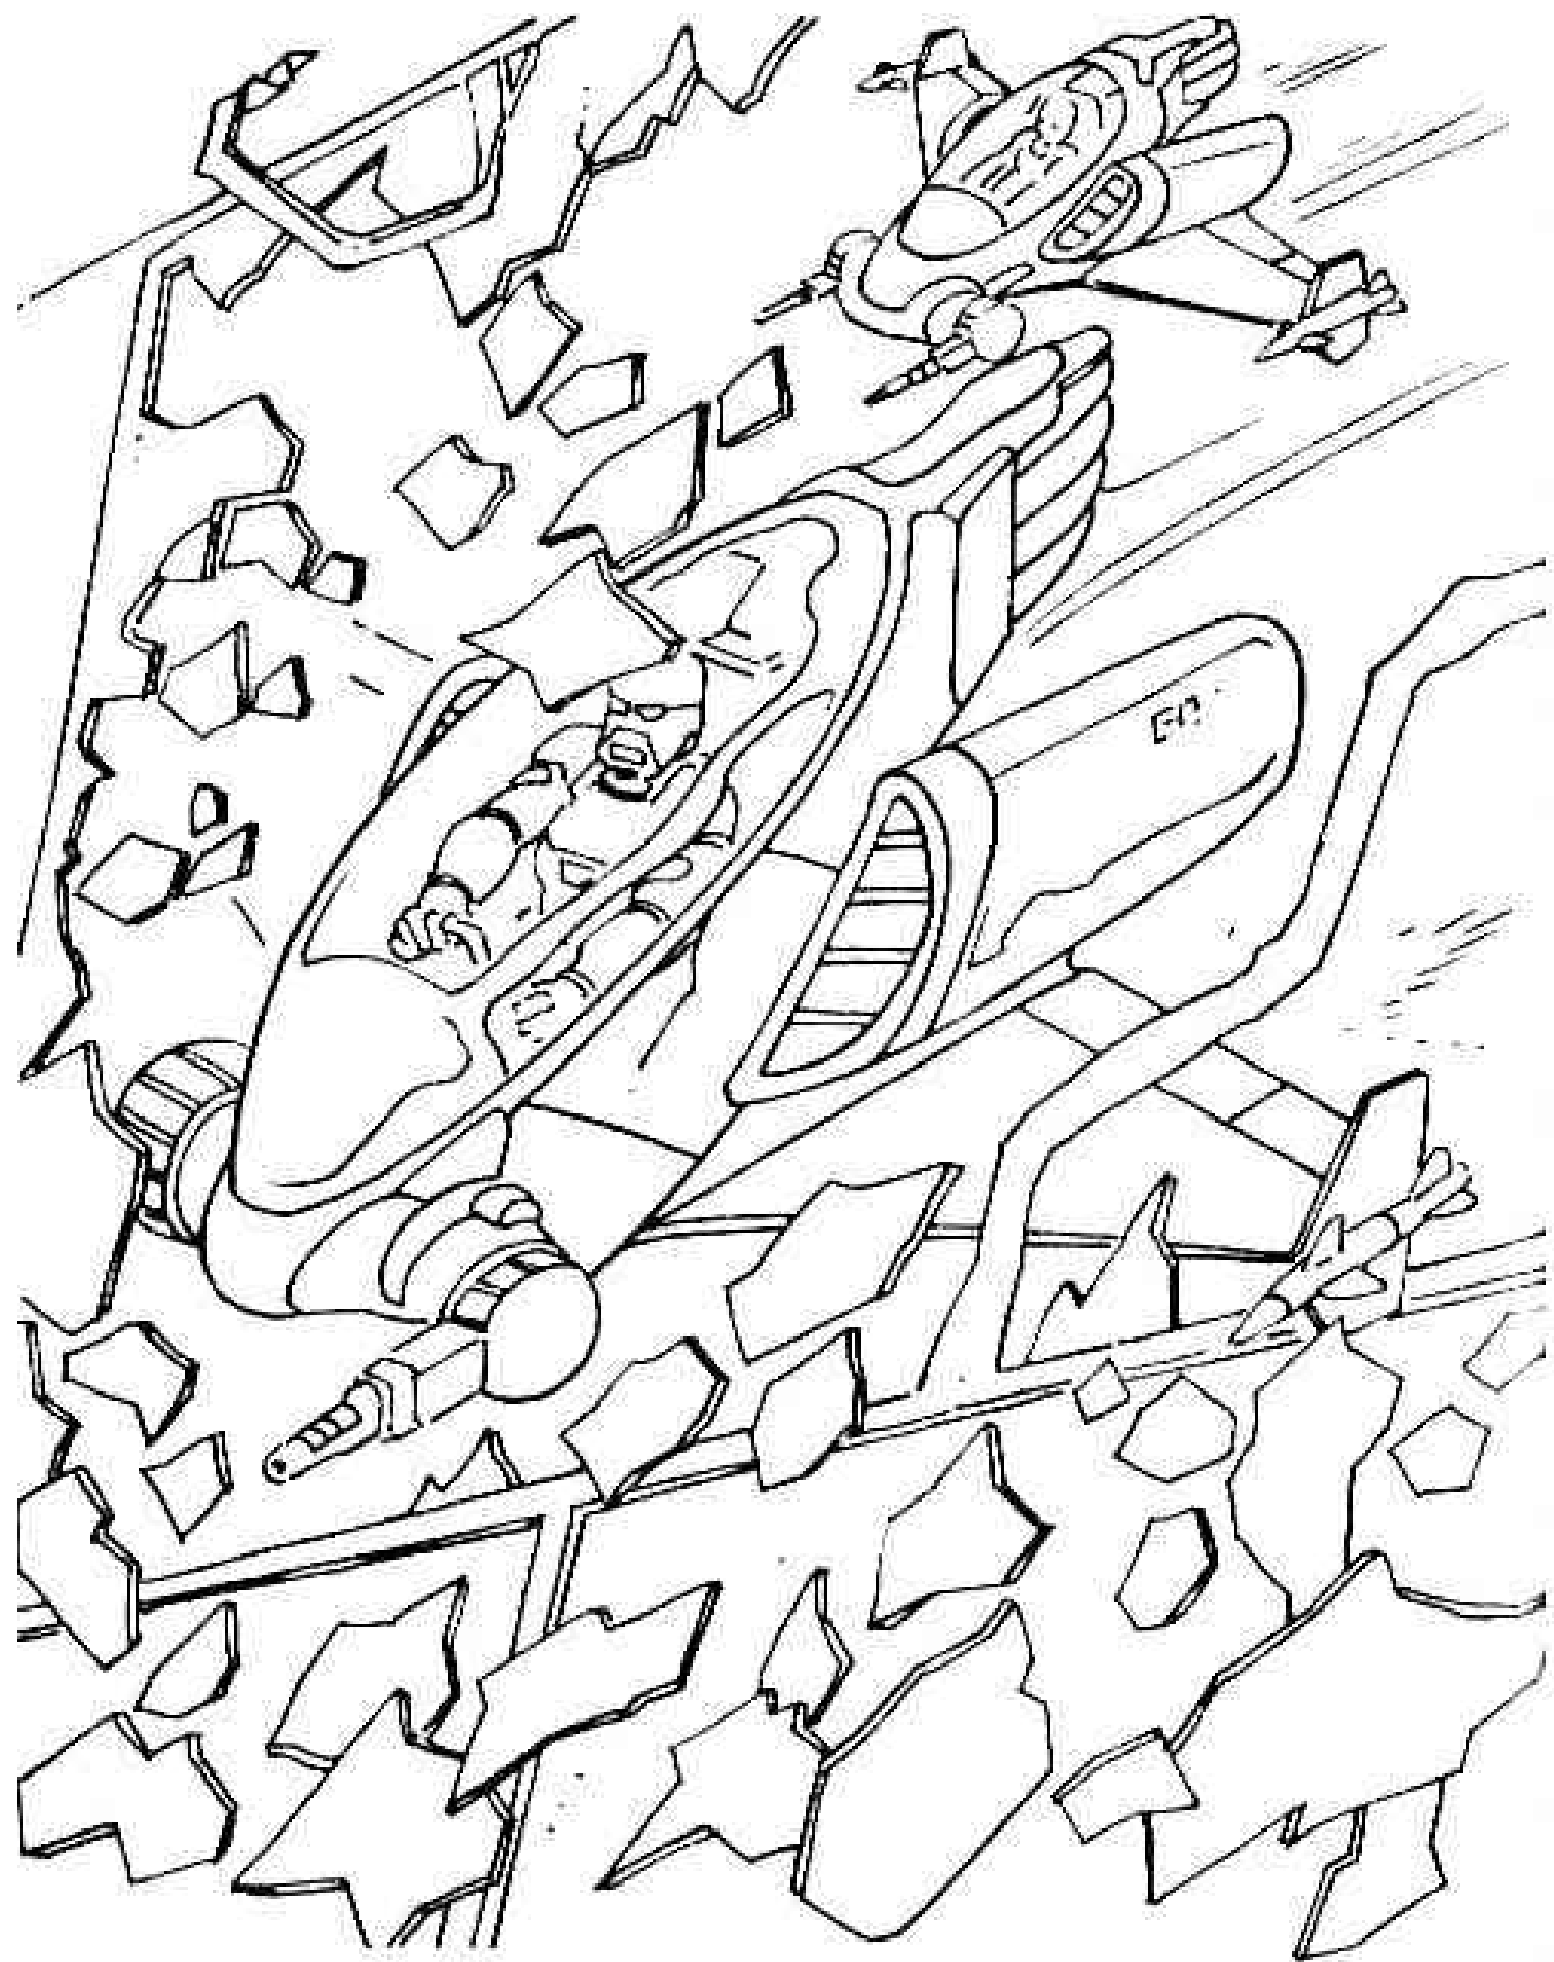

The Desert Fox is hit!

SKIDMARK'S BEEN HIT. LET'S GO SEE IF HE'S OK. ♪

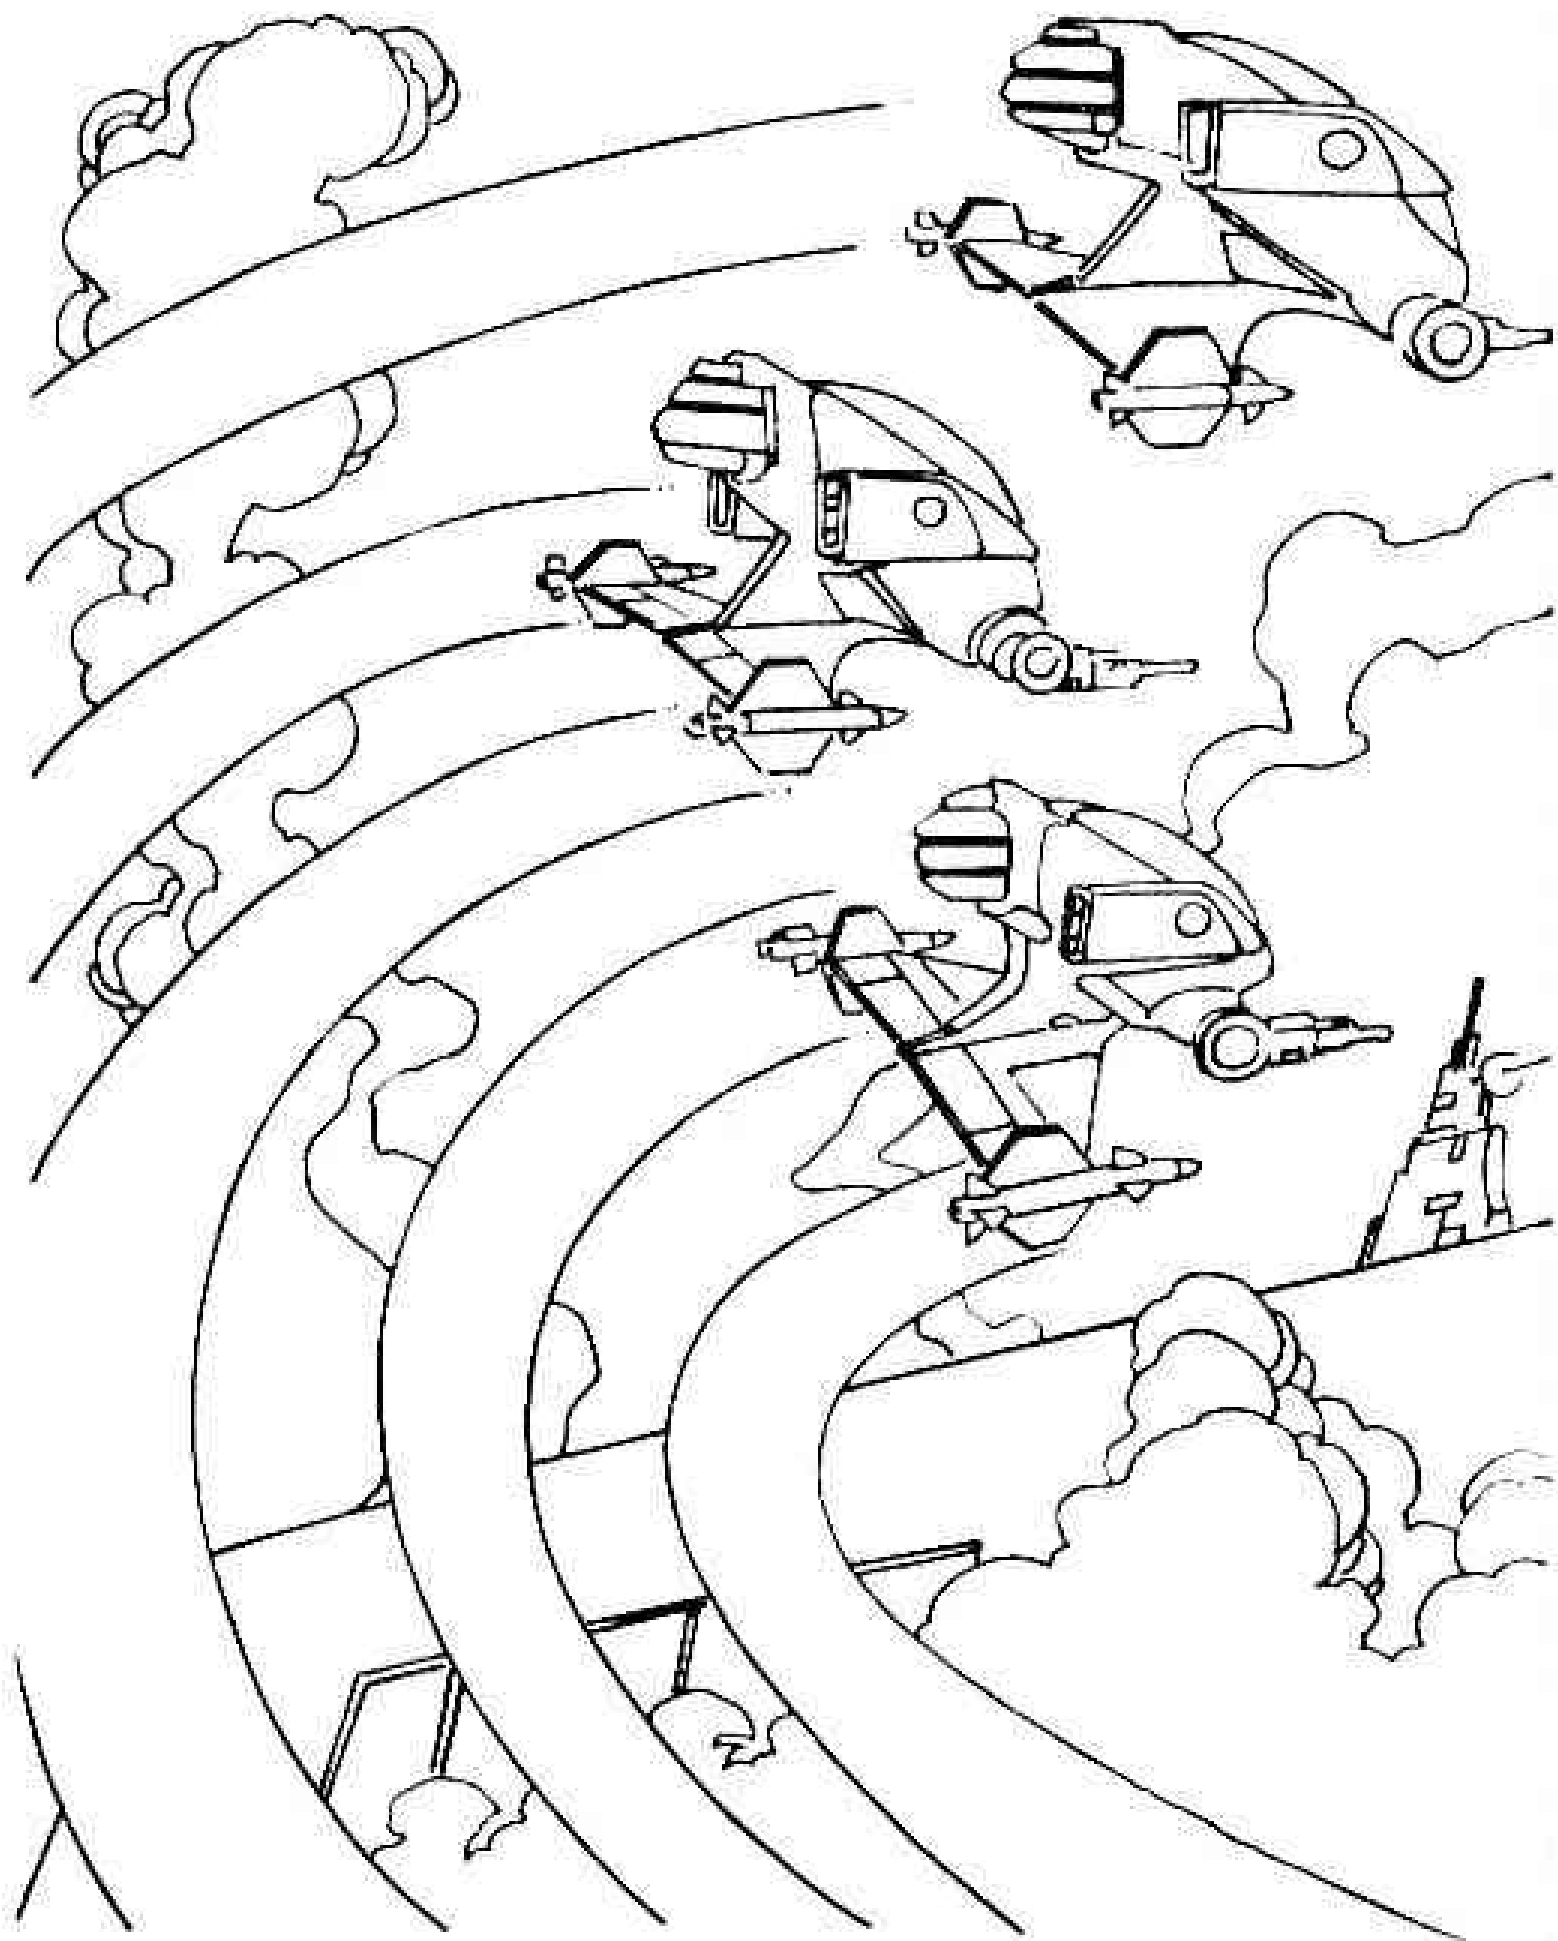

While the Joes race to their friend, the Iron Grenadiers crash into the lab.

Professor Grube is kidnapped.

The Iron Grenadiers head back to their base with the kidnapped professor.

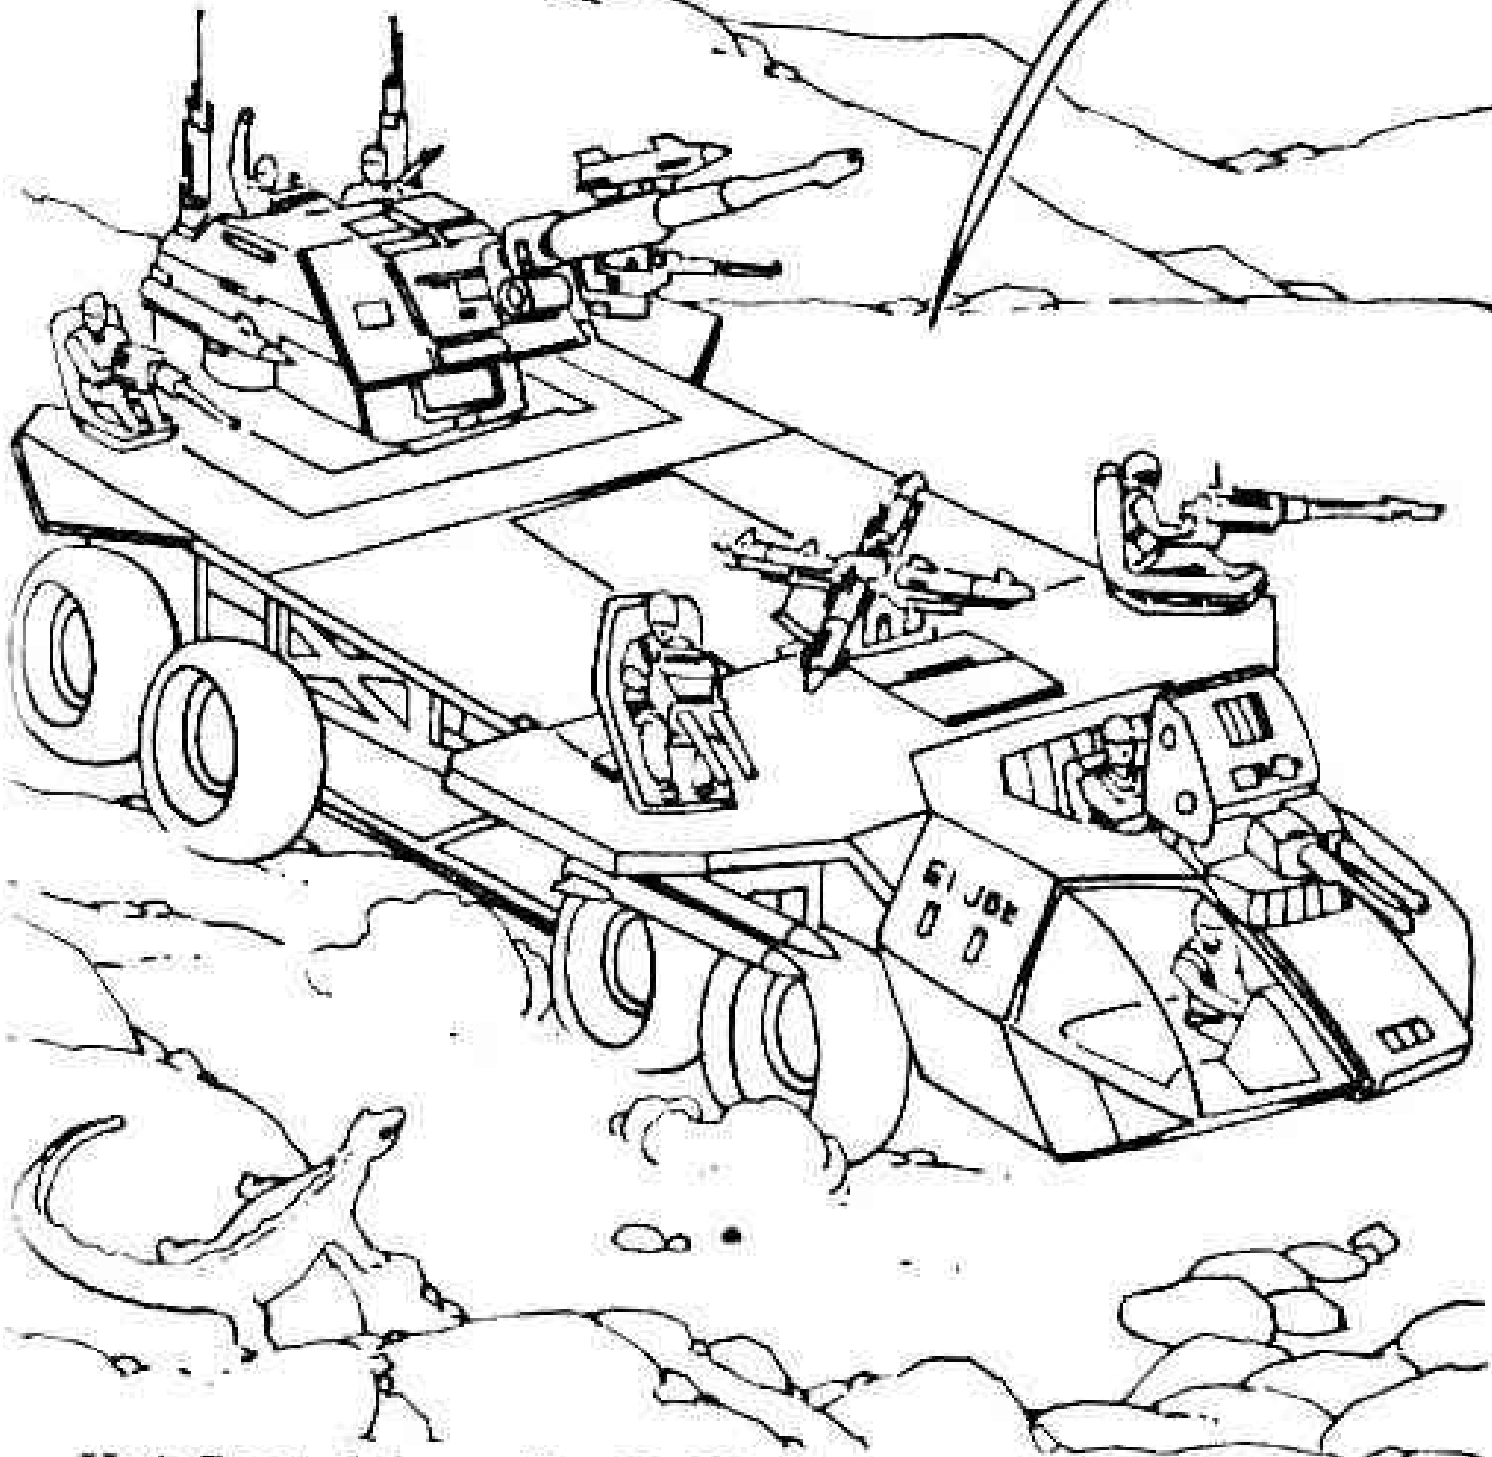

Meanwhile, the Joes discover that Skidmark is okay.

THIS IS JUST WHAT I FEARED MOST...LET'S REGROUP AND FORM A RESCUE PLAN!

WE'LL GET
HER BACK. WE
ALWAYS COME
THROUGH!

Hot Seat drives the Rolling Thunder, leading the other Joes on a rescue mission.

Meanwhile, Destro and Darklon interrogate the professor at their base.

YOU WILL GIVE US THE SECRET OF THE SUPER-PROPULSION UNIT AND WE WILL USE IT IN OUR FIGHTER PLANES...

WE WILL BE INVINCIBLE!

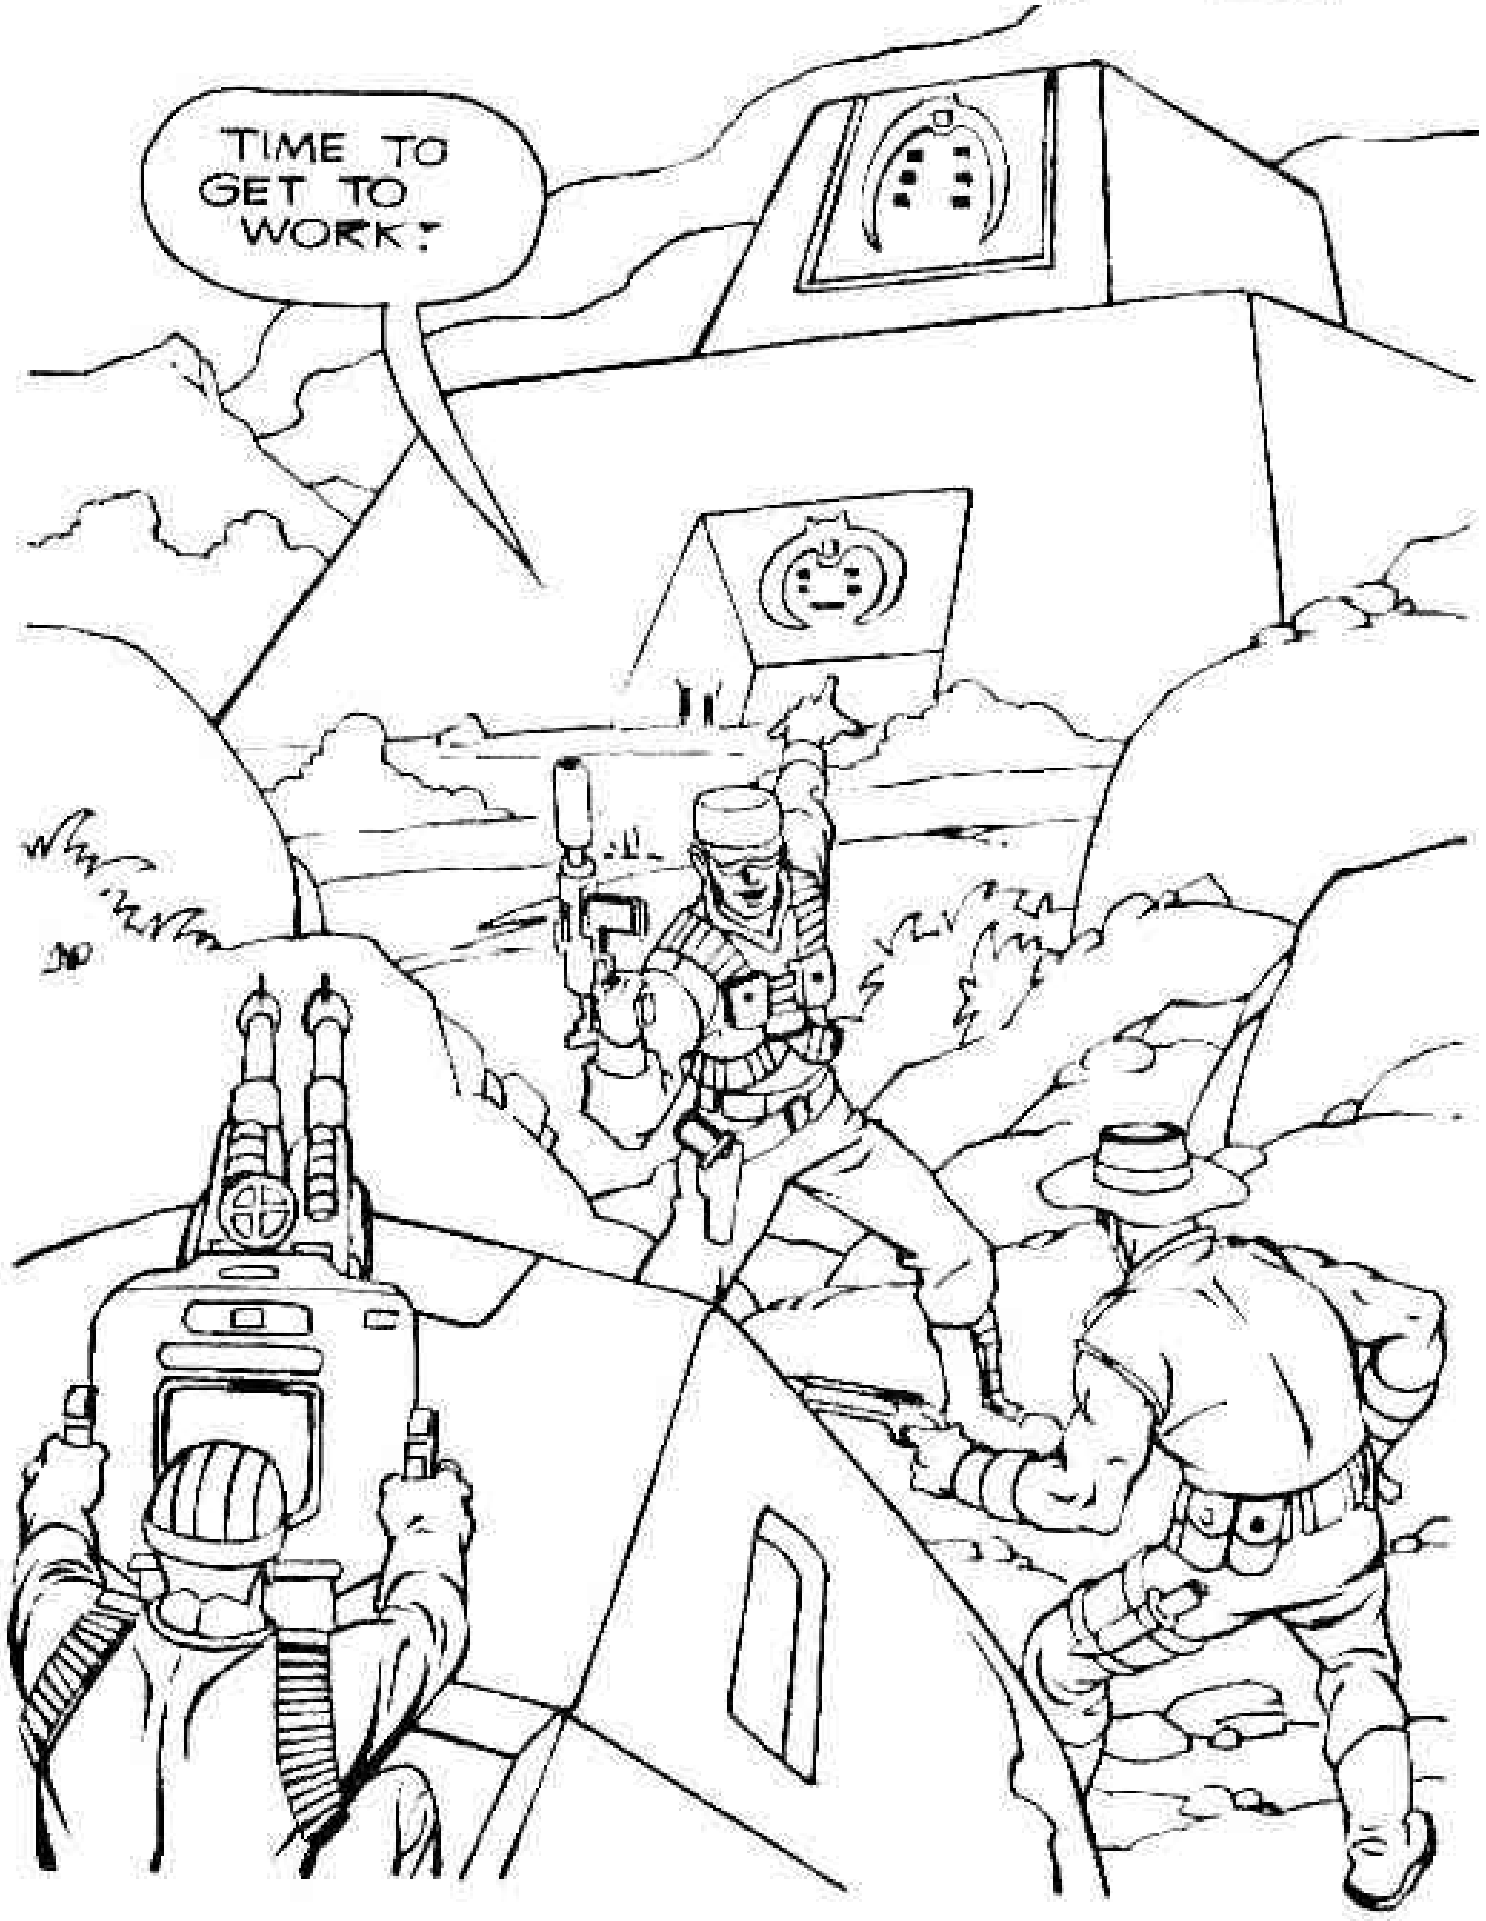

DO YOU TAKE
ME FOR A FOOL
OR A COWARD?
I WILL NEVER
REVEAL THE
SECRET TO
YOU?

YOU WILL
REGRET THAT!

Soon the Joes arrive in the Rolling Thunder.

TIME TO
GET TO
WORK!

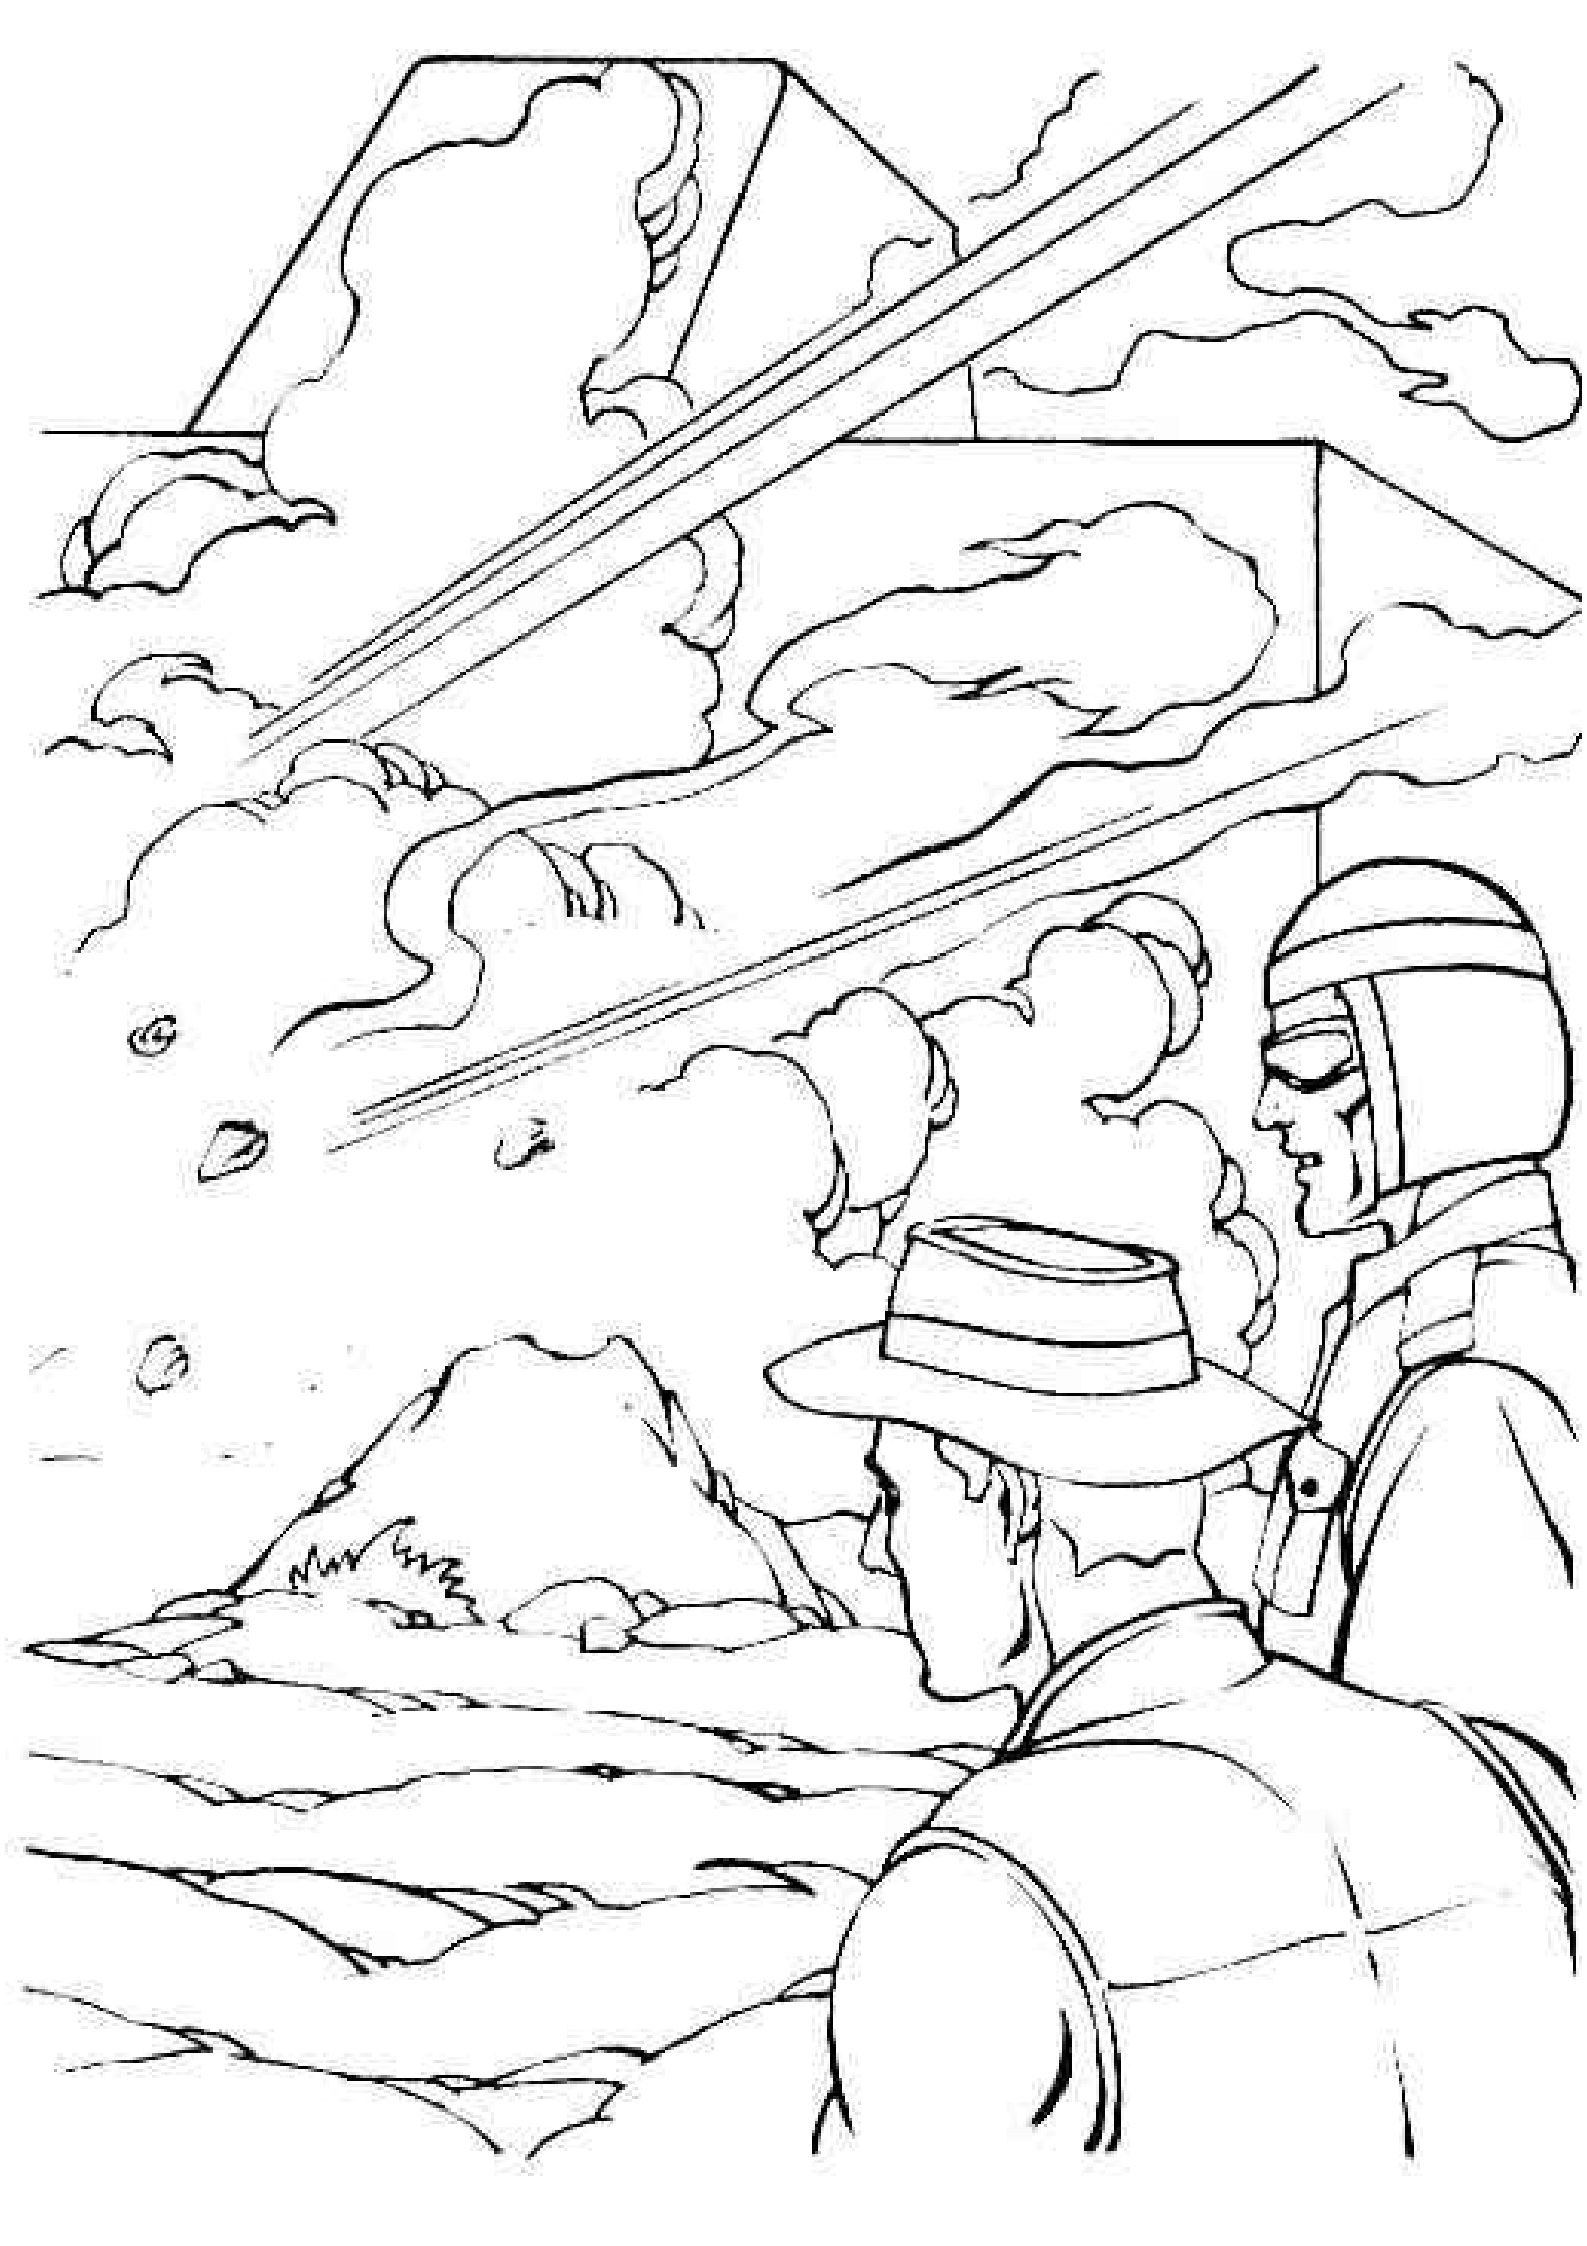

Hit & Run dashes around the base, planting explosives.

I SURE
HOPE
THIS
WORKS!

LET 'ER
RIP!

Inside the base, Destro and Darklon hear the explosions.

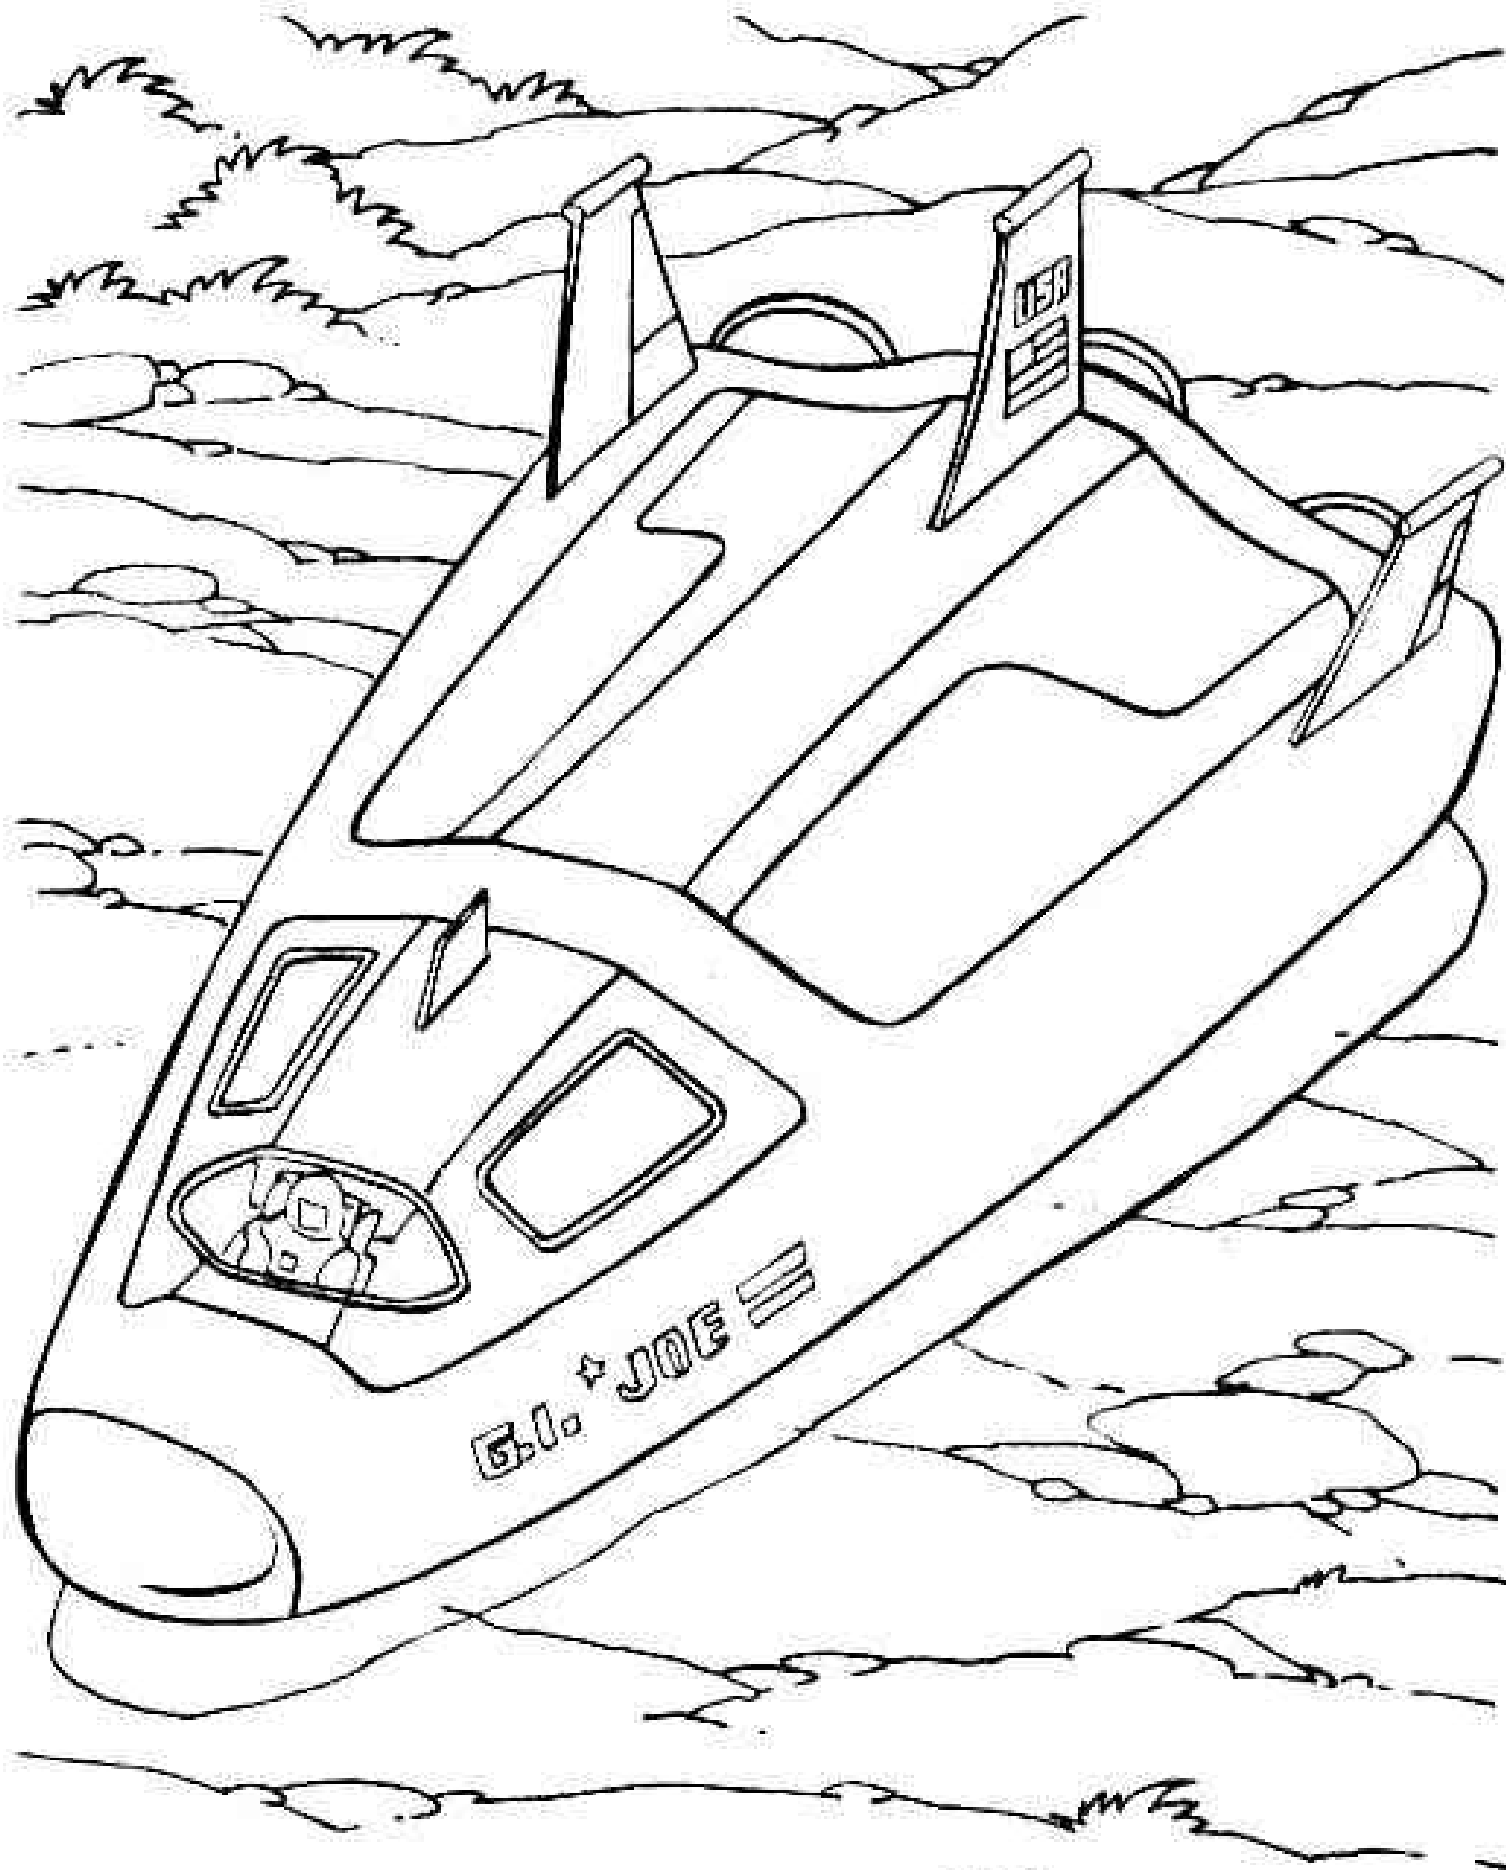

While Destro and Darklon run to investigate the explosions, Shockwave kicks open the professor's cell door.

Hit & Run leads the mad dash to freedom.

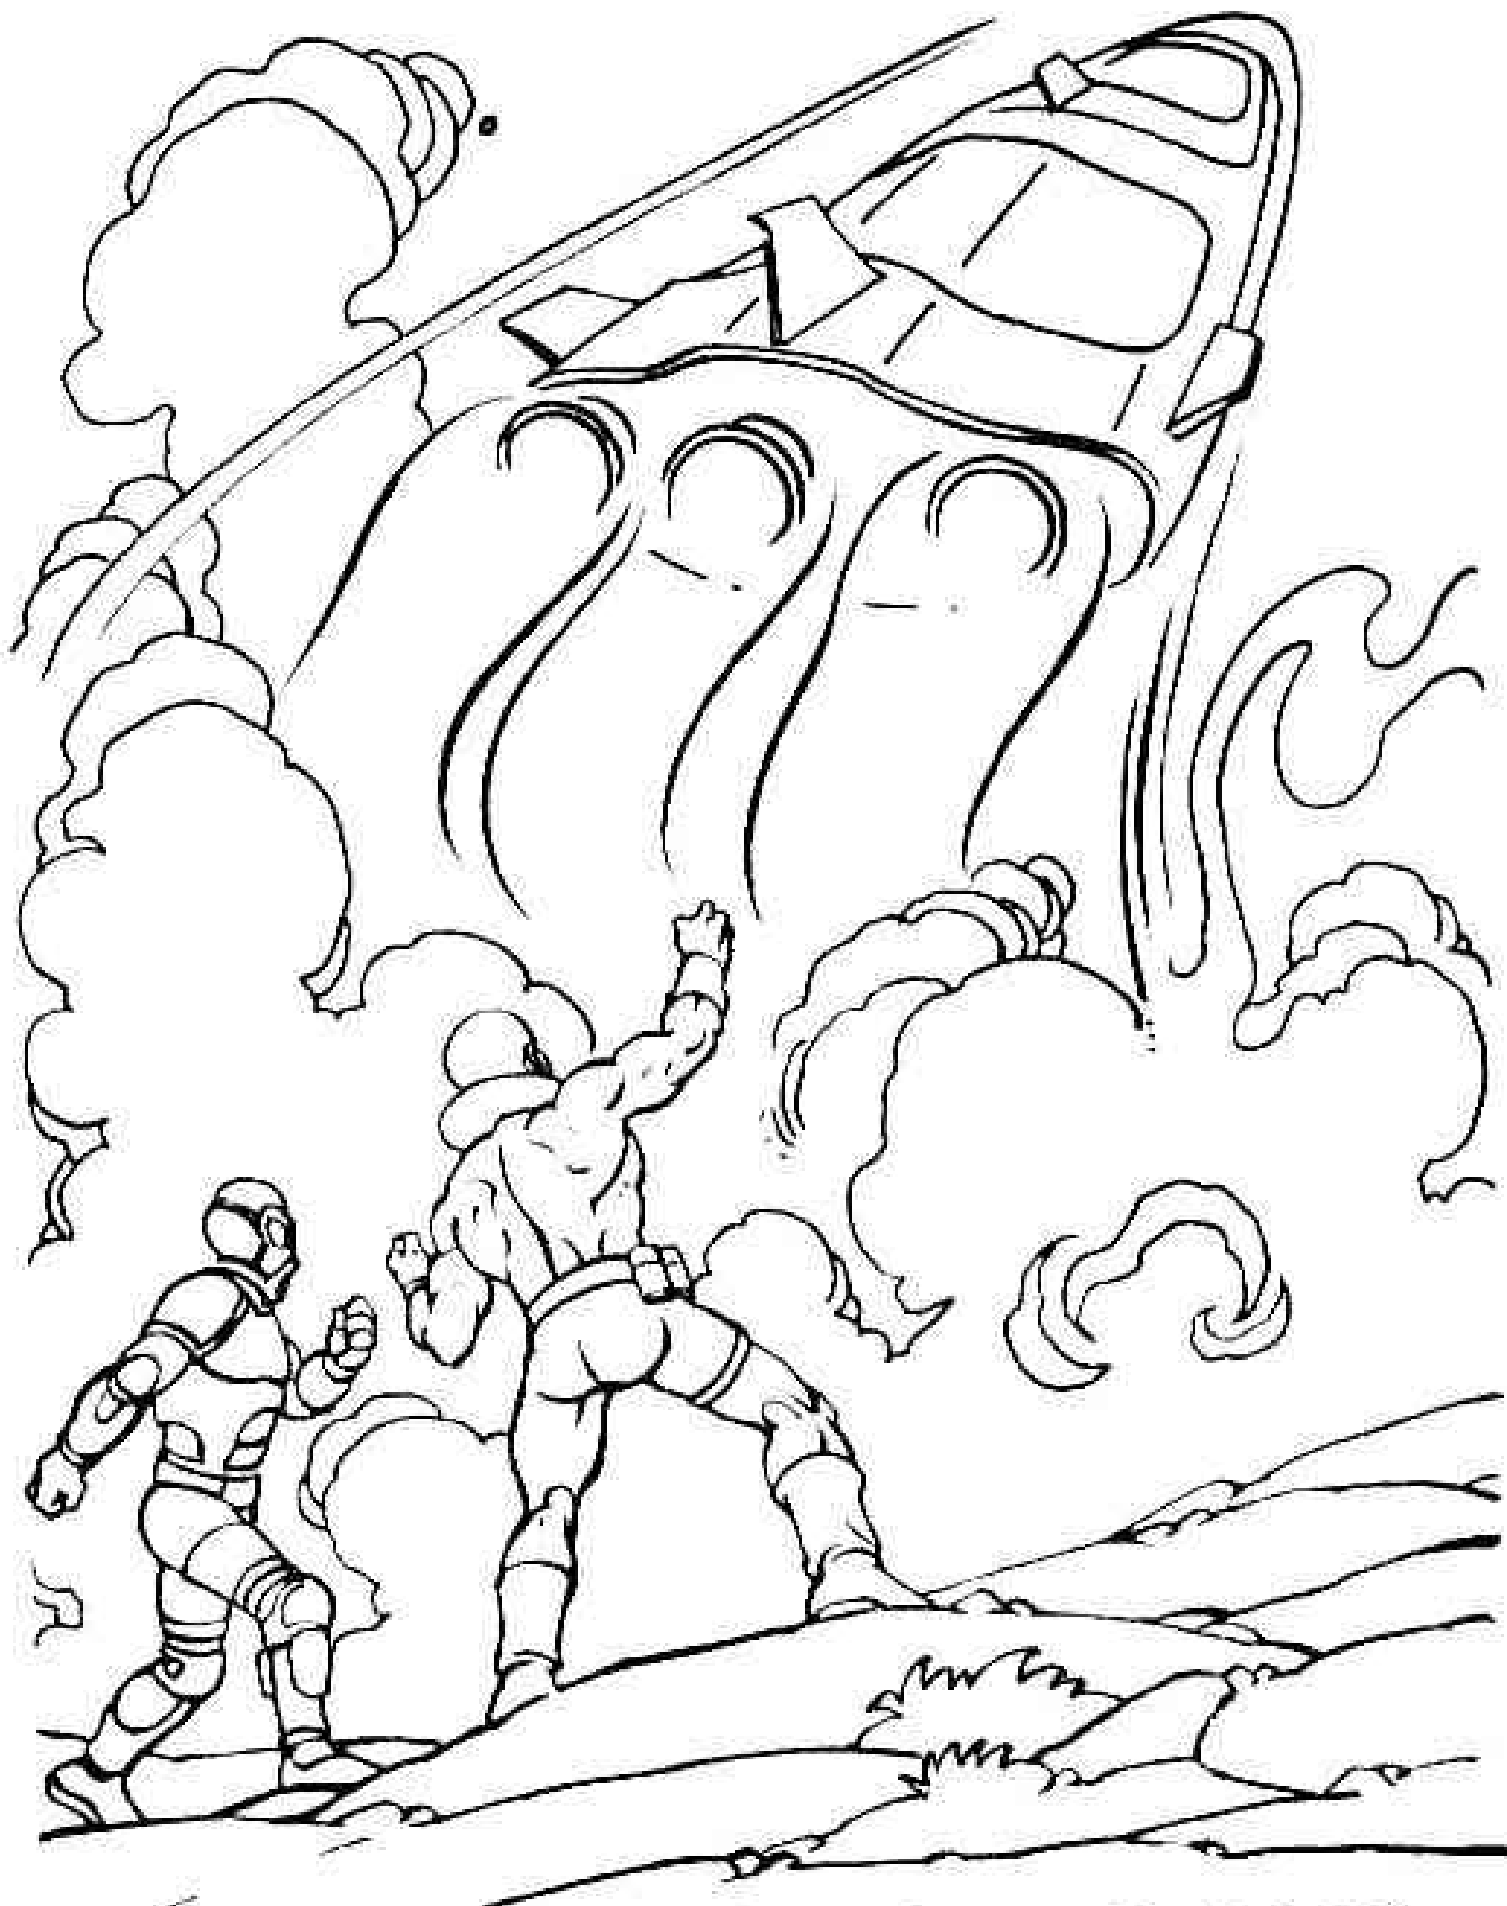

Outside, Payload is waiting in the Crusader space shuttle.

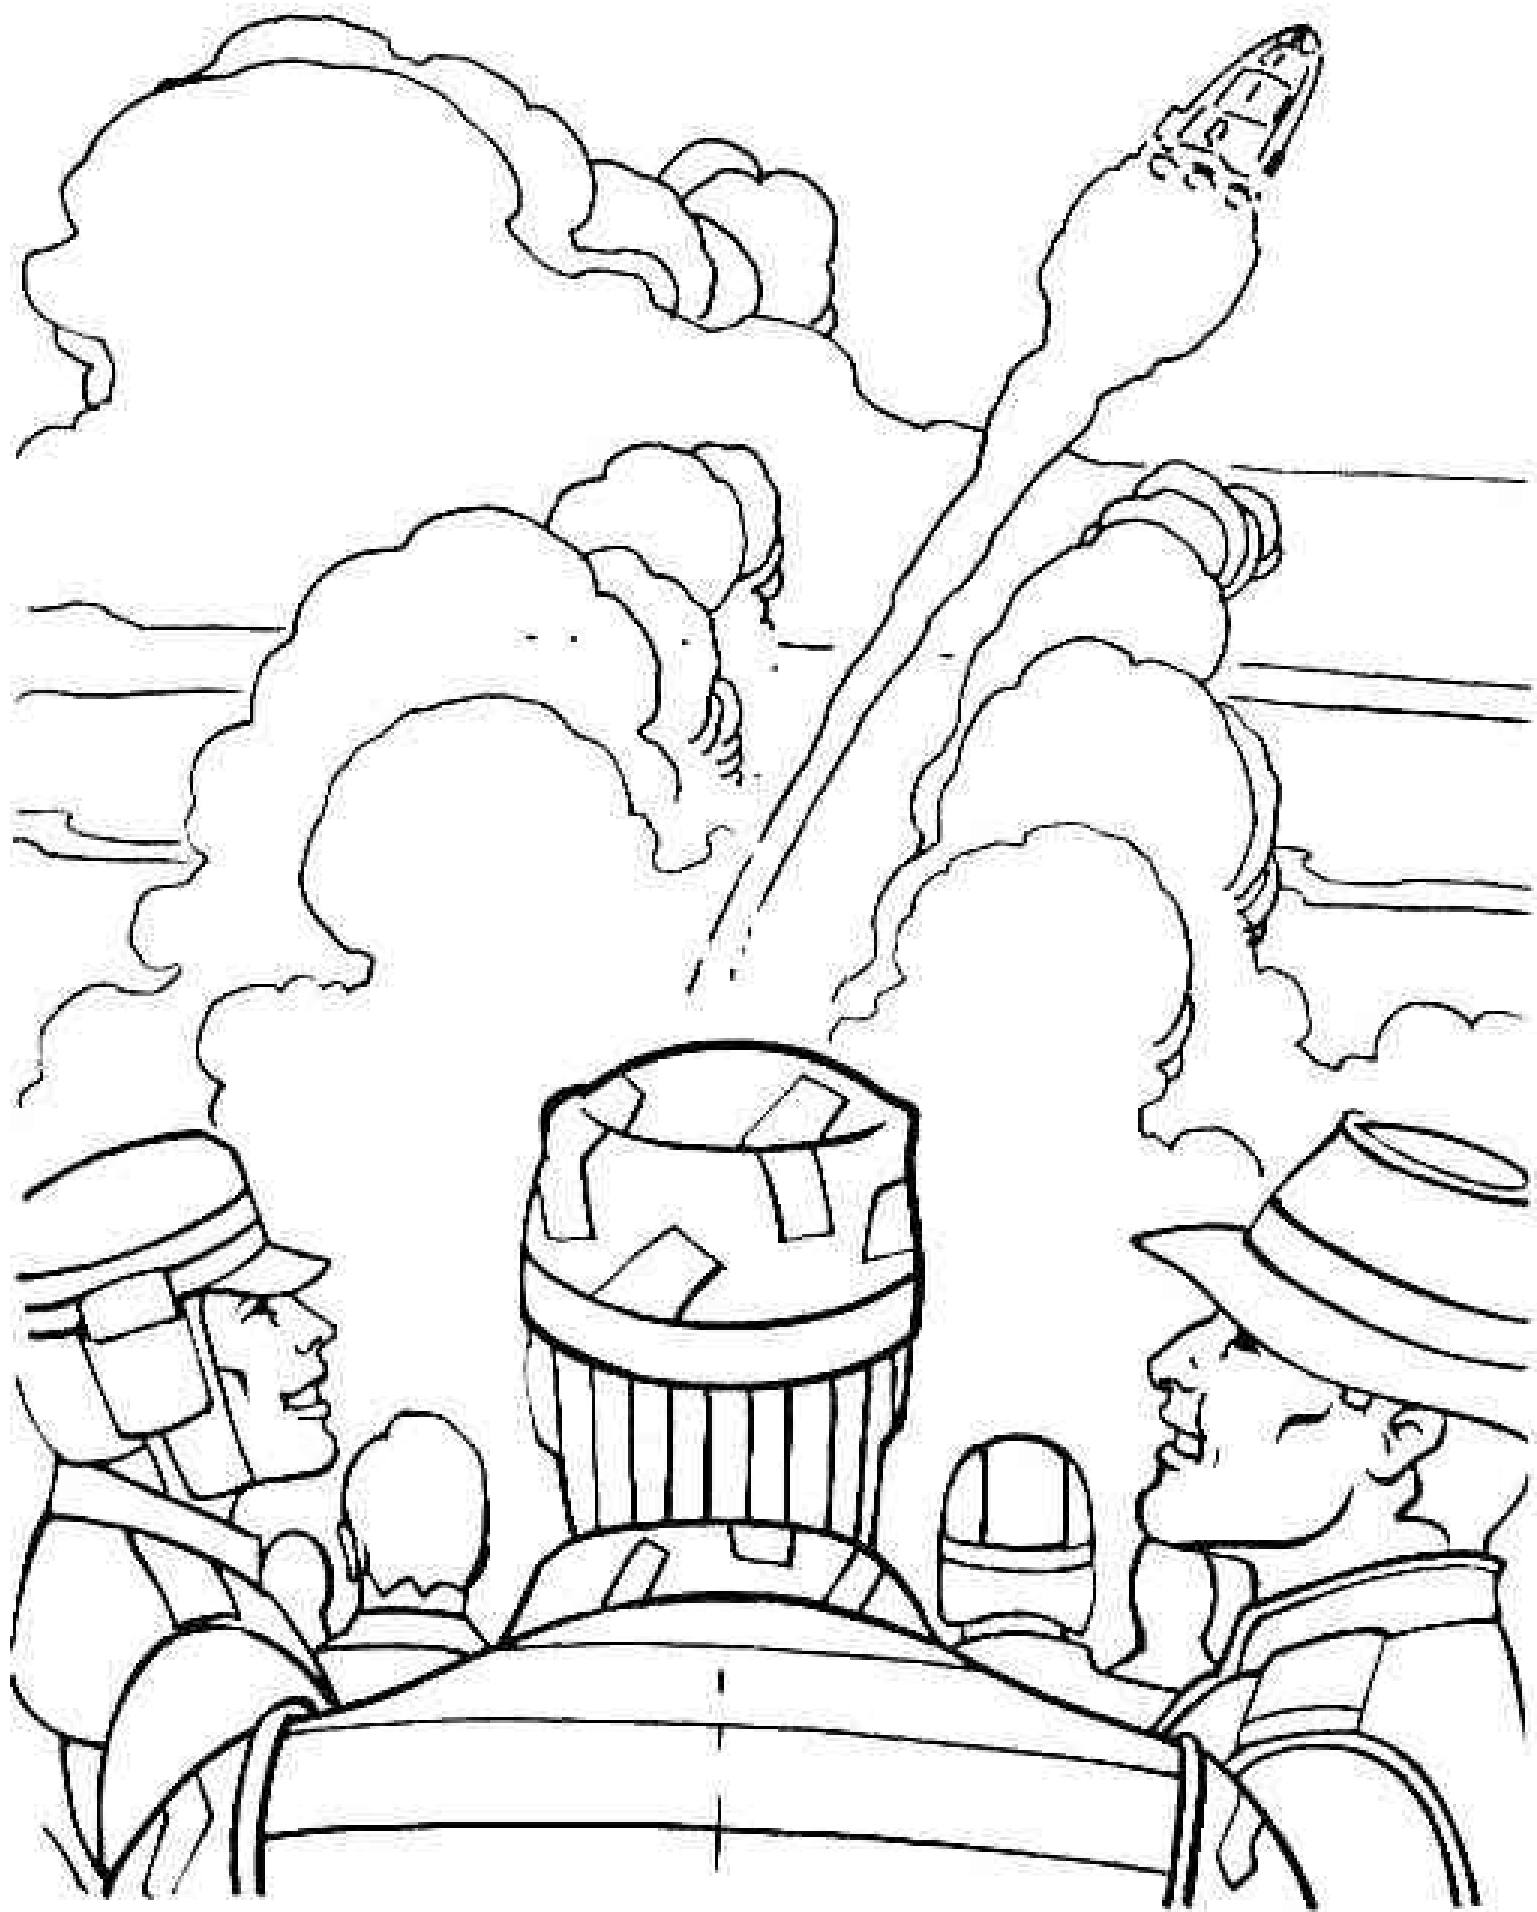

THAT'S
IT!

LET'S GET
OUT OF

The shuttle takes off like a plane as Destro and Darklon look on helplessly.

...and the Joes' dream of a moon base is one step closer to reality!
